RED CROSS AIDING HUNGARIAN REFUGEES

A Hungarian refugee, one of thousands fleeing to the USA from strife-torn Hungary, is being fitted with a coat by a Red Cross worker before leaving for the United States. N. J. She is Mrs. John Bauswen, of Cleveland, Ohio, who with her husband, are sponsoring this young man. The Red Cross, since the beginning of the uprising, in food, medicine, clothing and other necessities in Vienna and country to the end of the war, is launching a campaign for \$5,000,000 in this year the Red Cross will be feeding over 200,000 victims daily in Hungary, besides supplying needed clothing, fuel and medical supplies.

Mokena Citizens to Ballot on Bonds for Needed Improvement

Mokena Girl Wins in County Speech Contest

(Picture on Page 5, Section 2)

Jeanne Schiek, daughter of Mr. and Mrs. Lester Schiek of Mokena, a senior in speech and dramatics at Lincoln-Way high school finished second in oratorical contest staged Nov. 28 by the Joliet Junior Chamber of Commerce. The contest was judged on content, originality and delivery.

The contest was held in the Elks ballroom with students from five high schools in Will county competing. The county contest marks the beginning of a nationwide competition. National winners will receive \$500 scholarships and an all-expense paid trip to Washington, D.C.

Miss Schiek was chosen to represent Lincoln-Way in the "I Speak for Democracy" contest, an annual event, at an assembly program in the school Nov. 27 under the supervision of David Cool, a member of the faculty.

Local contestants were William Dusek, Beverly Jones, Beverly Laufer, Gale Osborne, Karen Wade and Miss Schiek.

Judges for the Lincoln-Way contest were Theresa Hartman and Mrs. Jane Sullivan, faculty members, and Lester Brown, a charter member of the New Lenox Toastmasters' club.

For placing second in the county contest Jeanne received a trophy in the form of a plaque which will become a fixture in the school. Each year the name of the winner of the school oratorical contest will be engraved on the trophy.

Blame Defective Furnace for Fire At Krem's Korner

Fire, believed to have resulted from a defective oil furnace, was discovered at the tavern operated by Robert Krem, Wolf and LaPorte roads, Mokena, about 9 o'clock last Friday morning.

Firemen from Mokena, Frankfort and New Lenox were at the scene quickly and extinguished the fire. The fire damage was confined to a comparatively small area but there was smoke and water damage too.

The furnace is a new one, having been installed only a week, but apparently had a crack in the fire pot. Blazing oil is believed to have dripped thru to the flooring below. The fire ate into the flooring but was confined practically to the circumference of the furnace.

It was an awkward blaze to fight because it was under the floor and there is no basement. And there was considerable smoke which made it even more difficult. The hardwood flooring also presented a problem. A section had to be removed to enable firemen to get at the seat of the blaze. Axes just glanced off instead of biting in but one of the men found the answer by borrowing an electric saw.

Firemen used a couple of tanks of water and some carbon dioxide in extinguishing the blaze. The Krem's were without heat for most of the day but a new furnace was installed and the damage repaired before evening.

Urge Response To Seal Drive

Persons who have not already sent in remittances for the Christmas seals mailed them by the Will County Tuberculosis Association are urged to do so immediately by those in charge so that the fund campaign can be ended before Christmas.

Martin P. Gleason, Joliet bank er who is Seal chairman, reports that to date \$14,265.82 has been contributed. Of this amount \$387.50 has been sent in from Frankfort township and \$325.50 from New Lenox township.

Proceeds from the Seal sale in Will county are devoted to case finding, health education, rehabilitation of those who have overcome tuberculosis and research. Wherever there is a TB association its program is tailored to fit the TB problem in its area. Mr. Gleason explained and most of the money raised in the Christmas seal sale in Will county is spent here.

A portion of the money, wherever it is raised, is spent for medical research that may some day bring the final answer to tuberculosis.

Mokena voters will ballot Saturday on a \$100,000 sewer bond issue. The village hall on Front street will serve as the polling place and will be open for voting from 6 am. to 5 pm.

Approval of the bond issue will mean that Mokena will proceed with the installation of approximately eight miles of sewer mains and construction of a sewage disposal plant.

The entire project is expected to cost around \$408,000. Village officials are hopeful of getting a grant of approximately \$74,000 from the government and the village has about \$8,000 in surplus funds that will be tossed into the pot.

The referendum Saturday is on the issuance of general obligation bonds—bonds that would be a general obligation on the municipal government and would be retired thru payment of taxes.

4-H Girls Aid Blind Fund

4-H club girls in Frankfort will make a special canvass of the community Saturday in conjunction with a tagday to be held for the Hadley school for the blind under the auspices of the Frankfort Lions club.

Coin containers are distributed thru practically every town in Illinois to aid the Hadley school project and also the training of guide dogs. The fund campaign is sponsored by some 500 Lions clubs in Illinois.

Those who contribute to the fund at Frankfort will receive a miniature of a white cane, the staff used by the sightless to help guide their steps.

The entire state project, it was pointed out, is part of the Lions clubs program to help the blind help themselves.

Village officials estimate that a person with property assessed at \$5,000 would pay approximate (Continued to page 16)

Glenwood Chorus Will Sing at PTA Meeting on Dec. 12

The chorus from the Glenwood School for Boys, made up of some 30 youngsters and directed by Arthur Lambrecht, will sing carols and other songs appropriate to the season at the family night Christmas party of the Frankfort PTA. The party is to be held at the Frankfort grade school next Wednesday night, Dec. 12, at 7:30 o'clock.

There will be a children 25-cent gift exchange and parents of sixth and seventh grade pupils will have charge of the refreshments. Mrs. Leroy Mager and Mrs. Bert Larson are co-chairmen.

The Frankfort PTA will continue to sponsor roller skating parties at the school thru Dec. There will be no skating however on Christmas day or New Year's day. The next teen-age dance is scheduled for Dec. 15.

Phone Company Plans Addition At Frankfort

An addition to the telephone building on Nebraska street in Frankfort has been started which will nearly triple its size, Manager Howard Gramm of Illinois Bell said today.

A 27 by 28 foot one-story brick extension is being added to the present structure, which measures 13 by 23 feet. The addition will match the present structure, with a red brick exterior.

Gramm said the addition would permit more dial equipment to be placed in service to meet the growing needs of the community. When the equipment is ready for service next spring, it will provide service for about 100 additional telephones, with room for the addition of still more equipment to be added when needed in the future.

"This building addition," Gram said, "will help us keep up with the population growth of Frankfort for some time to come."

Altho weather may be the governing factor in the construction work, the present schedule calls for installation of the complex dial equipment to begin late in February. It is now being manufactured, specifically for use in Frankfort by the Western Electric Co., Bell System supply arm. Western Electric craftsmen will also handle installation and testing of the equipment before turning it over to Wire Chief W. J. Miller and his local telephone technicians.

The P. T. Construction Co. of South Chicago Heights is performing the work. The foundation was started last week.

SEEK BLOOD DONORS

Bernard Santerelli, the 15 year old Lincoln-Way High school student, who was hit by a car Nov. 18, is receiving blood transfusions at Silver Cross hospital, Joliet.

Donors are being sought to donate blood to aid his recovery

Boy Darts in Front Of Car; Escapes Serious Injury

Eight year old Timothy Surovick, son of Mr. and Mrs. James Surovick, of Mokena, was injured Sunday evening when struck by an automobile driven by Thomas Owen, Wolf road. The accident occurred on Front street, south of the Mokena street intersection.

The youngster suffered cuts about the head that required 20 stitches but he was not hospitalized.

Tim and several other boys are reported to have been playing tag on the siding property of the Rock Island. One of the boys dashed out into the street and Tim is said to have run after him and darted into the path of Owens car.

The incident occurred so quickly that Owen did not see the boy in time to avoid him.

16 Oz. Baby Born To Mokena Couple

A daughter born prematurely on Nov. 26, to Mr. and Mrs. Ronald Thomason, Hamilton rd., Mokena, at Silver Cross hospital, Joliet, was reported to weigh one pound at birth.

The baby is in an incubator and yesterday was reported to have gained 10 ounces since birth, but later to have lost 1 1/2 ounces.

Breaks Wrist In Fall From Swing on School Playground

An unlucky third fall from a swing at the Weitendorf school was unlucky for Lowell Noodwang, 13, son of Mr. and Mrs. Henry Noodwang, 20549 Wolf rd.

At 8:30 am. last Tuesday, he fell from a swing at the school and broke the large bone in his wrist. On two previous occasions recently he fell off the same swing, but escaped injury.

Last summer Lowell fell from his bike when the handlebars

Rezoning Requests Approved by Board Of Supervisors

The Will county board of supervisors yesterday approved the recommendations of the appeals board to reclassify 20 acres of farmland at Gougar road and Washington st., New Lenox township to light industry.

The reclassification was requested by the Northern Illinois Gas Co., who wish to erect a district office and garage on the location.

The board of supervisors also approved a request of John Warren, a contractor, to allow him to expand the area of his storage yard along the New York Central tracks off Gougar road, south of the gas company property.

came apart and broke his collar bone. He was laid up for three months.

The boy was taken to Hedges clinic, Frankfort, where splinters were placed on the broken wrist. He returned to the clinic today to have a cast placed on his arm.

PTA Council Urges Driver Training Class

Two safety resolutions, entitled "Resolved that driver education by a qualified teacher, be a part of all high school curriculum," and "Resolved that licensed driving age be changed to 17 years of age," were adopted at the meeting of the southwestern area Parent Teacher council of District 19, held in the Midlothian school Nov. 27.

Mrs. Raymond Hammar, Council Safety chairman, showed a movie entitled "Doorway to Death". She also told how to get information from the National Safety council. Robert Guthrie, Safety chairman of the Midlothian PTA gave a talk on the subject.

Because PTA council should be a channel of information and a helping hand to the units, several council members gave brief reports of successful ventures in their local units.

Mrs. Edward Pettijohn, director of district 19 reported that the district stands the third highest in the state for subscriptions to the National Parent Teacher magazine.

Mrs. Walter F. Fierke, Council president, reported on the council workshop she had attended. Pertinent points brought out were: Good committee work, program planning, working membership, good public relations, sound money attitudes, publicity, good budget including expenditures for publicity, delegates, scholarship, chairmen's expenses, convention and congress publications.

A nominating committee composed of Mrs. Hildren Wheaton Forest Ridge; Mrs. Donald Johnson, Midlothian; Mrs. Walter Dohl, Posen; Mrs. Robert Montessor, Dorn and Mrs. Donad Hollingshead, Tinley Park were named. They will report their state of candidates at the Feb. 26 meeting.

Attending from Tinley Park were, Mrs. Fierke, Walter F. Fierke, Council legislation chairman, Mrs. Hollingshead, and delegates Mrs. Don Crasper, Mrs. Phil Virtue and Mrs. P. L. Jochum, district publicity chairman.

Report From State Capital

by John M. King

If the recent decision of the Illinois supreme court declaring the use tax unconstitutional is made final, Gov. Stratton faces a rough financial road during the coming session of the state legislature.

The high court last week threw out the 2½ per cent use tax on the grounds that its application was not uniform. Although the state has asked for a rehearing, the fact that the court's decision was unanimous would seem to indicate the chances for a reversal are slim.

Two effects of the supreme court's action are immediately apparent. First the state will lose about twelve million dollars a year in desperately needed revenue. The second effect is that, since the use tax had the effect of a sales tax on goods purchased outside of the state by our citizens, Illinois merchants living near our borders will be hurt.

You can take the case of an Illinois merchant living on the boundary of a state without a

sales tax as an example of just how much this court decision can mean. If a prospective customer can get the same deal and the same guarantees and services on the same item, he stands to save \$25 on the \$1000 by buying out of state.

The state budget, already strained to the bursting point, may prove impossible to balance because of the loss of the use tax revenue. It is no secret that the department of public welfare will need a deficiency appropriation running into millions in order to pay for unanticipated expenditures already made. And, if state school aid claims are to be paid in full during the next biennium, more millions must be added to the common school fund.

Without the use tax there seems to be only a slim chance of avoiding a tax increase next year.

Gov. Stratton will ask for legislation to submit a proposal to the people for a 150 million dollar bond issue to build college and university buildings and for other state institution construction. The bonds would be retired from current revenues.

If this program is approved the amounts of money granted to the department of public welfare and our state universities and colleges could be reduced. The question is—when and by how much?

Since there are few cases of government services being curtailed instead of expanded, higher taxes seem to be just around the corner. The defeat of the revenue amendment puts the legislators on the same spot they occupied during the last session of the general assembly.

Insiders are predicting a tax boost of some type. A consensus of opinion indicates that it will come in two forms. It is predicted that the sales tax will be raised one half to one cent with an increased collection fee going to retailers, and that the gasoline tax will also be increased.

Some sentiment in favor of a flat rate state income tax has been voiced. Altho such a levy has little present chances, it is constitutionally legal. No one will be surprised if a bill for an income tax is introduced as a feeler this session.

Job Holders Fight Move to Take U. S. Out of Business

The next Eisenhower Administration goal: To review the "services" performed by civilian agencies, such as laundries, commercial photography, custodial services, duplicating and photostating services, and others to determine which can be handled competitively by private business.

An inventory taken last May showed there were 19,771 government business activities with 258,000 employees and with capital assets of over \$11 billion. The Hoover Commission recommended that many of these business operations be terminated. In the Department of Defense alone, it said, 1,000 business type activities could be closed or transferred to private ownership.

The opposition to the Administration program to get the government out of competition with free enterprise comes from the federal job holders. They were influential enough to get a rider attached to an appropriation bill last year which hampered the Defense Department efforts to discontinue many activities.

This barrier was removed this year by congress. However, it is expected that another attempt will be made to reinstate it as soon as congress reconvenes.

China, Russia and India are the three largest countries by population.

Honor 3 Gas Co. Employees for Saving 6 Lives

Three Northern Illinois Gas Co. employees were honored yesterday (Dec. 5) at the utility's annual management meeting for their quick thinking and prompt action that helped save six lives.

Recipients of the President's Award for the Saving of Human Life were Ora Harman (Evanston), LeRoy Marconi, (Chicago Heights) and Albert Cloud, (Joliet). Presentation of the awards was made by Marvin Chandler, the utility's president, at the luncheon meeting.

Harman, who works at the company's gas plant in Skokie, saved the life of a 20 month old boy when his next door neighbor's house was ripped by a propane gas explosion and fire. Harman carried out the boy through a torn out side wall before the house was completely leveled by fire.

Marconi's a credit department employee in the south suburban area—quick thinking brought the fire department to a customer's home in Chicago Heights in time to save the lives of three small children trapped in the burning structure.

Prompt action by Scoutmaster Albert Cloud, operating foreman for the utility in the Joliet area, averted a near tragedy on a Boy Scout overnight camp-out as he rescued two youngsters from a flaming tent.

Five Northern Illinois Gas employees now have received this special award established last year by the utility's board of directors to "recognize individual heroism, presence of mind and prompt action of employees resulting in the saving of human life."

Gives Report On Girl Scout Conference

Mrs. Herbert Ray of Park Forest who headed this council's delegation to the three-day regional Girl Scout Conference at Milwaukee last week returned home and reported on the conference proceedings.

The conference, Mrs. Ray said, was attended by 4,000 Girl Scout adults and Senior Scouts from Illinois, Indiana, Michigan, and Wisconsin. Among the major problems discussed at the conference were the need for more Girl Scout volunteers to serve as troop leaders and to take on other "behind the scenes" jobs in Girl Scouting and ways to improve the Girl Scout program so that it will provide more opportunities and challenges for girls.

As a result of the conference, the South Cook County Girl Scout council is planning in the near future to have a major leader recruitment program, as well as an increased training program for adults.

Among the speakers who addressed the conference were Mrs. Roy F. Layton, president of the Girl Scouts of the U.S.A., Dorothy C. Stratton, national executive director, and Princess Ileana of Romania.

In addition to Mrs. Ray, other Girl Scouts from this area who attended the conference were:

Mrs. Raymond Wrede, vice president; Mrs. James Meyer, treasurer; Mrs. Edward Spooner, day camp chairman; Mrs. George Pilz, troop camp chairman; Major J. T. Davis, public relations chairman; Mrs. J. V. Jankun, Mrs. Karl Goetter, Mrs. R. H. Dausman, Mrs. Joseph Lex, Park Forest senior advisor and member of program committee and six Senior Scouts. Mary Rowe, Barbara Gerloff, Jane Meyer, Linda Walton, Andrea Husted and Judy Jacobs. Also the three professional staff members: Miss Florence Ann Schlott, executive director, Miss Claire Brier and Mrs. Grace Heitmann, field directors.

Mars has started moving farther away from the earth again. Don't know as we blame it, either.—Changing Times.

Elmhurst Choir to Sing at Frankfort Sunday, Dec. 9

A Christmas concert will be given by the Elmhurst College chapel choir at 8 p.m. Sunday, Dec. 9, in the St. Peter's Evangelical Reformed church, Frankfort.

This group of 40 mixed voices has been on a tour and the Frankfort presentation will be the last on their return to Elmhurst.

SEEKS BLOOD

Mrs. Charles Kelch, carpenter street, was rushed to Silver Cross hospital Thursday evening and returned home Sunday. Mrs. Kelch needed blood transfusions and would appreciate donors to give four pints of blood to the blood bank at the hospital. Anyone who is interested may contact Charles Kelch at Mokena 2472 and he will provide transportation to the hospital.

One out of every four floor furnaces sold in America last year was built to operate on liquefied petroleum gas.

THE SOCIAL WHIRL

Weddings, Engagements, Clubs, Women's Activities

Picadilly Weepers were the moustache and long, drooping whiskers worn by fashionable men of England in the 1860's.

Christmas in Scandanavian countries begins on December 13 and ends January 11.

Giraffe's eyes are so constructed that they can see to the rear without turning their heads.

Tinley Park Woman's Club Makes Gifts to Boy and Girl Homes

The Tinley Park Woman's club met Wednesday, Nov. 28 in the Tinley Park School. A prayer was read by Mrs. D. W. Gruber in memory of Mrs. Florence Anderson.

Contributions were made for Christmas gifts for the girls at the Park Ridge school and for the boys at the Marquette Boy's home.

Mrs. Richard Freund, mental health chairman, presented plans for a party to be given at Manteno State hospital, Thursday, Dec. 13, for the club's five "adopted" patients. Mrs. Freund and Mrs. William Mc-

Lain recently completed the orientation course at Manteno and were awarded certificates entitling them to do volunteer work at the hospital.

Miss Olive Pillsbury, literature chairman, reviewed the book, "Tolbecken", by Samuel Shellabarger.

Mrs. Voris Miller was chairman of hostesses, assisted by Mrs. Walter Eichelberg, Mrs. Noel Gibbons, Mrs. Leslie Johnson and Mrs. Robert Rich.

Mrs. Lewis Sawyer, president and Mrs. D. W. Gruber were guests of the Forest Ridge Woman's club at their birthday meeting Wednesday evening.

Tinley Garden Club Prepares Christmas Gifts For Youngsters

Last Monday was a busy day in the home of Mrs. Robert Memhard, president of the Tinley Park Garden club, when a group of members gathered there with material to make bean bags.

They were in various shapes, mittens, stars, drums, faces, boots, etc. 116 in all.

The women took only a short time out for lunch and then back to work. They also packed another large box containing 65 boxes of crayolas, 65 books to color and doll cutouts, two

large dolls made from men's socks, and lovely scrap books. These will be sent to the Chicago Plant, Fruit and Flower guild who will distribute them to children in hospitals.

Mrs. John Swisher delivered 48 little baskets filled with home made cookies to a woman's ward in Oak Forest infirmary, Nov. 29. She also left 125 magazines.

These are some of the good deeds done by the Tinley Park Garden club for the Christmas season to help cheer those who are in need.

October Job Peak Set New Record

In October employment rose to 66,174,000, a record for the month and 1,013,000 above October 1955, the Census Bureau reported.

Unemployment was down 89,000 from September 1956 and 222,000 below October a year ago.

The report counted 7,173,000 employed in agriculture, 732,000 below October 1955.

Two U.S. Presidents received the Nobel peace prize—Theodore Roosevelt in 1906 and Woodrow Wilson in 1919.

James A. Garfield, who died at 49, lived the shortest life of any U. S. President.

Royal Neighbors Have Guest Night

St. George school hall was the scene of the guest night program of the Royal Neighbors of America, Dew Drop Camp 2023 guest night on Nov. 27. Supreme oracle, Anna Spangler and state supervisor, Lynn Edgett were escorted to the oracle's station by Gladys Reder, Marshall, and presented with an orchid corsage and greeted in song by Neighbor H. Swanberg.

New members voted into the society were Harriet Wagner, Edna Mason and Ethel Gerri.

The following camps responded to roll-call: Morall, Chicago Heights, Harvey, Roseland, LaSalle, Rock Island and Mokena. Supreme Oracle Spangler gave an inspirational talk on the work of RNA and complimented the camp for their fine membership and attendance and the well-planned guest night.

State Supervisor Edgett acknowledged the participation of the camp in the numerous financial drives and expressed her appreciation for the evening's invitation.

Oracle Lottie Rasmussen spoke on the five principles of the society, which if practiced in everyday life would help to make everyone happier.

All officers presented their guests with a rhinestone pin from the camp.

Two dramatic readings were given by Enda Clark after which refreshments were served at tables decorated with flowers and the RNA theme done by Alma Jahrmarkt and her committee.

Frankfort-Mokena Home Bureau Meets

The Frankfort-Mokena Home bureau met Nov. 20 in the home of Mrs. George Elsner. Mrs. Wilbert Lauffer gave the lesson on "Helping the child live and work with older people." It proved most interesting and everyone participated in the discussion.

Mrs. Robert Nieman gave the minor lesson on "Family Centerpieces."

The family night card party was held in the Emil Groth home Friday night. Prize winners were Mr. and Mrs. Arthur Buske and Mr. and Mrs. Lawrence Kohl.

ANN RUTLEDGE UNIT

The next meeting of the Ann Rutledge PTA will be held at the school in Lincoln Estates, Monday, Dec. 10 at 7:30 pm.

Following the business meeting there will be the annual Christmas party. It has been the custom in the past to have a gift exchange between members at the party. However, this year it has been decided to bring a "kitchen" gift for the school kitchen.

WSCS Circles Meet Haste Can Upset Holiday Plans, Warns Expert

The Women's Society of Christian Service project for December will be a bake sale at Vogt's Dept. store Saturday, Dec. 8 from 10 am. until 3 pm. The Esther circle is in charge of this project and is asking for donations of baked goods to be in by noon. Mrs. William Schellhase has volunteered to pick up bakery goods if notified.

The following circles will meet Tuesday evening at 8 o'clock, the Martha circle at Mrs. Leland Rayson's home and the Ruth circle at Mrs. Leslie Johnson's home.

The Miriam circle will meet in the home of Mrs. Raymond Jensen and the Esther circle will meet Wednesday evening, Dec. 12 in the home of Mrs. Edith Arnold.

The Faith circle meets in the home of Mrs. Albert Felton Wednesday, Dec. 12 at 12:30 for a dessert luncheon. The Dorcas circle also will have a dessert luncheon at 12:30 on the same day in Mrs. George Rowden's home.

Bremen Home Group Studies Party Foods

"Food is fun" might well have been the slogan of the Bremen Home Bureau unit when its members met Thursday, Nov. 29 in the home of Mrs. Leroy Bauman.

Mrs. Bauman and Mrs. George Phillips, local leaders, instructed members in the major lesson, "Party and Club Refreshments", including tips on making food preparation for these events easier, tastier and more attractive to serve; also table setting.

Immediately afterward the unit members put their lesson to use by serving one of the tastiest, most unusual buffets of the season.

Attending the session were 42 members and guests.

Coming Events

Sat. Dec. 8—Annual Christmas bazaar and bake sale, 2 pm., Cooper and Hostert garage, Mokena, by WSCS of the Methodist church.

Fri., Dec. 14—Card party, Summit Hill school, 8 p.m., sponsored by the Boosters' club.

Sat., Dec. 8—Bake sale Vogt's store, Tinley Park, 10 a.m. to 3 p.m. by Esther circle of Tinley Methodist church.

Fri., Dec. 14—Pre-Christmas bake sale, National Food store, Tinley Park, 10 a.m. by Kirby Community club.

Sat., Dec. 8—Card party VFW hall, Mokena, 8:30 p.m. by Auxiliary.

With the possible exception of Herbert Hoover, George Washington was the United States' wealthiest president.

Texas has more railroad mileage—over 16,000 miles—than any other state.

Milk for human consumption is obtained from the cow, goat, reindeer, yak, zebu, buffalo, camel, llama and sheep.

Allowing last-minute jobs to accumulate usually causes people to become nervous and careless. The result is often an accident, says O. L. Hogsett, extension safety specialist at the University of Illinois.

With the holiday season at hand, you will probably be entertaining. So start your meals in time to avoid haste and confusion. A simple, easily prepared meal eliminates the need for haste and reduces the threat of kitchen accidents.

When guests are expected, plan your meal as far in advance as possible. To avoid last-minute haste, plan to serve meats, salads and desserts that can be prepared in advance. A good manager keeps a well-stocked reserve for unexpected guests. Then she will not lose her composure in such emergencies.

A mandrill is a large baboon with a light blue nose, orange and yellow beard and a forehead crest of greenish hair.

Henry Bettenhausen in Business At Tinley For Quarter Century

by Anne Rodger

Henry Bettenhausen, leading
Tinley Park merchant, recog-
nized civic leader and church-
man, started his hardware bus-
iness in Tinley in 1931.

He first operated from the
home which he built 30 years
ago, at 6822 173rd pl., and later
opened a store in the building
on Oak Park ave., where a fun-
eral home is now located.

The present Bettenhausen

Henry Bettenhausen

Hardware and Plumbing store
at 17344 Oak Park ave. was op-
ened in March, 1934.

Mr. Bettenhausen moved to
Tinley in 1925, from the outlying
farm where he was born. Since
that time he has been in the
general contracting business;
building homes and dealing in
plumbing, heating and sheet
metal work.

He and his wife Ruth, will
celebrate their 35th wedding an-
niversary on Dec. 10. Parents
of three sons and one daughter,
and grandparents of four, their
sense of humor, forbearance and
team work may be the key to
their happiness.

Mrs. Bettenhausen has been
active in the hardware store
since it was opened 23 years ago.
She recalls that when they
first moved to the present loca-
tion, the rent was \$1 a day and
the circulation of their bulletin
1000. The present circulation of
the bulletin is 7500.

The business is a family op-
erated one. Henry's brother, Emil
T. Bettenhausen, has always
been associated with the busi-
ness. At present he is manager
of the sheet metal department.

The three Bettenhausen sons,
Milfred, Robert and Henry A.,
have followed in their father's
footsteps. Like their father, Mil-
ford and Robert are licensed
plumbing contractors. Henry A.
and daughter Marie work in the

store. The business has a total
of 14 employees.

On Church Board 40 Years

The elder Bettenhausen has
always been active in church
affairs. For 40 years he has
been on the board of the Meth-
odist church. He was 21 years
old when he became a board
member of the German Metho-
dist church and now serves on
the board of the Tinley Park
Methodist church. For 14 con-
secutive years he was Sunday
School superintendent and is
still teaching Sunday school.

The civic leader is serving a
second term on the Tinley Park
village board.

He has always been active in
community affairs thru mem-
bership in the Recreation Com-
mission, Lions Club, Chamber of
Commerce and Retail Council.

He and his three sons belong
to the Order of Scottish Rites.
Henry sr., is also a member of
the Shrine. All three sons are
volunteer firemen.

Mrs. Bettenhausen is a mem-
ber of the Eastern Star. She has
also been an active church work-
er and is a member of the Esth-
er Circle of the Woman's Soci-
ety of Christian Service in the
local Methodist church.

The Bettenhausen Hardware
Store is the largest of its kind
in Tinley Park. Besides all types
of hardware and a large selec-
tion of gift items, paint and all
of its allied products, are stock-
ed.

A complete line of toys is car-
ried on the second floor. In the
major appliance department, re-
frigerators, stoves, washing ma-
chines and dryers; also water
softeners of nationally adver-
tised brands, are carried.

Mr. and Mrs. Bettenhausen
recently returned from a seven-
week Europe tour. During their
two-week stay in Germany, they
visited several cousins whom
they met for the first time.

Tinley Personals

Mr. and Mrs. Walter Mancke
motored to DeKalb over the
weekend and were guests of
Mr. and Mrs. Frank Bowker.

Mr. and Mrs. Joe Andres en-
tertained at Sunday dinner: Mrs.
Harvey Cooper, Mr. and Mrs.
Thomas Cooper and Mr. and
Mrs. Charles Cooper all of Or-

land Park.

Mr. and Mrs. Steve Kruszczy-
ski were Sunday evening guests
of Mr. and Mrs. Amos Douglas.

Mr. and Mrs. Nicholas Schu-
lien and family visited the Jo-
seph Bauman family in Chicago
Sunday afternoon. Sunday eve-
ning visitors at the Schulien
home were Mr. and Mrs. Tier-
son Schumake of Valparaiso,
Ind. and the John Julius Conrad
family of Chicago.

Mr. and Mrs. P. L. Jochum
and daughters attended the In-
ternational Horse show Satur-

day featuring the Royal Cana-
dian Mounted Police. The show
was held at the Amphitheatre in
conjunction with the Livestock
exposition.

Mr. Waldo Childs spent a few
days recently visiting his father
in Avoca, Iowa.

Pvt. E. Archie Packingham is
enjoying a 15 day leave from
the Marine base at Camp Pen-
dleton, Calif., and is staying
with the William Hannas. Mrs.
Packingham was the former
Dorothy Hanna.

LEGAL NOTICE

NOTICE TO:

Walter J. Doyle, owner, James Orr, Agnes L. Weinbrod, Trustee and Unknown Owners.

Take Notice that on February 19, 1955, Elmer Pelock (herein referred to as purchaser), at a sale made in pursuance of a Decree entered by the County Court of Will County, Illinois, in the cause entitled, "The People of the State of Illinois, etc. vs. James Hayes, Et Al." and numbered 8394, purchased the following real estate:

Lot 22, Block Thirteen (13), Keerly and Beers Boulevard Addition to Columbia Heights.

That there was included in the Decree for which said real estate was sold general taxes for the years 1931 to 1953, both inclusive.

That the extended time of redemption from said sale will expire April 26, 1957.

Further Take Notice that the purchaser has, this 30th day of November filed a petition in the County Court of Will County, Illinois, in said Case No. 8394, praying that said Court order and direct the County Clerk of Will County, Illinois, to issue a tax deed conveying the above described real estate to the purchaser, if said real estate is not redeemed from said sale within the time allowed by law.

You and each of you are hereby further notified that if no redemption is made from said sale within the time allowed by law, the purchaser will, on the 27th day of April, 1957, at 10:00 A.M., or as soon thereafter as said petition can be heard, appear before his Honor, John C. Cowing, Judge of the County Court of Will County, Illinois, or before such Judge as shall be sitting in his stead, in the County Court Room of the Court House in Joliet, Illinois, and apply for an Order on said petition directing that a tax deed conveying said real estate to the purchaser, at which time and place you may appear if you so desire.

Dated this 30th day of November, A. D. 1956.

ELMER PELOCK,
Purchaser.

Legal Notice

AN ORDINANCE PROHIBITING PARKING ON A CERTAIN PORTION OF 173rd PLACE, TINLEY PARK, ILLINOIS

BE IT ORDAINED by the President and Board of Trustees of the Village of Tinley Park, Cook County, Illinois:

Section 1

PARKING PROHIBITED. No person shall stop or park a vehicle at any time on or along that portion of 173rd Place described as follows:

Along the south curb thereof on that portion of said street lying between a line drawn ten feet East of and parallel to the East line of the Tinley Park Municipal building, projected north across that street and a line drawn ten feet West of and parallel to the West line of the said Tinley Park Municipal building, projected north across said street.

Along the north curb thereof on that portion of said street lying between a line drawn ten feet West of and parallel to the West line of the Tinley Park Municipal building projected North across said street at center line of the East wall of the main entrance to the said Tinley Park Municipal building extended North across said street, provided, however, that members of the Tinley Park Fire Department may park vehicles owned or operated by them in said restricted parking area during the time that they are on an emergency call.

Section 2

SIGNS TO BE ERECTED. Appropriate signs shall be erected to inform the public of the restrictions on parking herein established.

Section 3

PENALTIES. Any person who violates any of the provisions of this ordinance, shall upon conviction thereof, be fined not less than \$1.00 nor more than \$25.00 for each offense of which such person shall be convicted.

Section 4

REPEAL. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed in so far as they conflict herewith.

Section 5

EFFECTIVE DATE. This ordinance shall become and be effective immediately upon its passage, approval and publication in the manner provided by law.

Passed this 3rd day of December, 1956.

WILLIAM LOCKE,
Village Clerk

Approved this 3rd day of December, 1956.

FRANK JEFFORDS

Legal Notice

NOTICE OF SPECIAL SCHOOL ELECTION

Notice is hereby given that on Saturday, the 22nd day of December, 1956, an election will be held at the polling place hereinafter mentioned in School District Number 122, Will County, Illinois, for the purpose of voting upon the following propositions:

1. Shall the Board of Education of School District Number 122, Will County, Illinois, issue \$120,000 School Building Bonds, maturing \$3,000 on December 1 of each of the years 1958 through 1961; \$4,000 on December 1 of each of the years 1962 thru 1973; \$20,000 on December 1 of each of the years, 1974 through 1976, and bearing interest at a rate not to exceed Four and Three-fourths Per Cent (4 3/4%) per annum, payable semiannually?

2. Shall the Board of Education of School District Number 122, Will County, Illinois, issue \$120,000 School Building Bonds, maturing \$3,000 on December 1 of each of the years 1958 through 1961; \$4,000 on December 1 of each of the years 1962 thru 1973; \$20,000 on December 1 of each of the years, 1974 through 1976, and bearing interest at a rate not to exceed Four and Three-fourths Per Cent (4 3/4%) per annum, payable semiannually?

For the purpose of this elec-

Boob of the Month

THIS BOOB'S Grandfather had a car that had a large rubber bulb and a big brass horn. It took a skillful squeeze to get a squawk.

Boob's Father had a car that had a horn button on the steering column.

It wasn't too handy, either. Boob is much better equipped, with a big horn ring. And does lean on it!

Illinois Laws Relating to Motor Vehicles forbid unnecessary tooting, but, alas, make it a matter of reasonableness.

And that, alas, is too much for Boob.—COOK COUNTY HIGHWAYS, published by Cook County Highway Department.

tion the following Polling place is hereby established:

Haven School, South Cedar Road and Haven Avenue, New Lenox, Illinois.

The polls will be opened at twelve o'clock noon and closed at 7 o'clock P. M. of the same day.

By order of the School Board of said District.

Dated this 4th day of December, 1956.

EUGENE W. MCGOVNEY,
President

STANLEY EKEDAHL
Secretary

FOR INHALATOR CALL MOKENA 2121

Mrs. Jessie Koeller flew to her home in Mokena last week end from Phoenix, Ariz., to attend the funeral of her brother, James Horn. Mr. Horn, 61, died Saturday in Chicago. Funeral services were held Wednesday in Elmwood Park. Mrs. Koeller also visited her only sister who is seriously ill in the Bloomington hospital. She returned to Phoenix with her daughter, Mr. and Mrs. Joseph Gee who were motoring to their home in the same city.

Mr. and Mrs. Harold Spiess entertained their pinochle club in their home last Wednesday night.

Mrs. Lydia Ryan and her niece Jean Logan, a teacher in the public schools in Barrington, attended the movie "The Ten Commandments" Sunday afternoon in Chicago.

The Friendly circle of St. John's church will meet in the church next Thursday, Dec. 13 at 8 pm. Bette Homerding and Vera Warning will be in charge of the devotions. Lillian Egness Margaret Jacobsen and Eva Thomas will serve refreshments. The Spiess brothers gathered in the Alvie Spiess home Saturday evening to help him celebrate his birthday.

The Amvet Auxiliary will sponsor a Teen dance in St. Mary's hall this Saturday, Dec. 8. Dancing will be from 8 to 11 pm. and is for the young people from the ages of 7th grade and up.

Mrs. George Boyce entertained in her home Sunday at a baby shower honoring her sister, Mrs. Harold Larimore, the former Eleanor Hostert, and her infant daughter. The guests were 20 relatives. Games were enjoyed and refreshments were served. The honored guest received many lovely gifts.

Dale Westlund, son of Mr. and Mrs. Raymond Westlund, played an accordion solo at a recital held in the Conservatory of Music in Joliet last Thursday evening.

Cub Pack Meeting

The monthly Cub Scout pack meeting was held Nov. 29 in the public school. Den 6, with Mrs. Carroll Roberts, den mother, presented the flag ceremony. Den 1, Mrs. Harry Fee, den mother, was in charge of the program which was a Cuban dance skit using home made instruments. Den Chief, Don Alexander assisted.

Two films were shown by the

Scout board members, entitled, her daughter, Mr. and Mrs. Robert Nolan and family in Chicago Sunday.

Mrs. Russell Anderson's den 4 served refreshments.

Awards of Wolf badge were given to Tommy Roberts and Larry Kelch. There will be no Pack meeting during December.

In going through the Panama Canal one travels a little more than 50 miles.

Thirty-three states had prohibition before the 18th Amendment was adopted.

The Secretary of State is the only cabinet member who does not have to make an annual report to the President.

ALPINE

Mrs. E. Mrosek
Fieldbrook 9-2841

Cub Scout, den 5 of pack 218 worked on Christmas presents for their mothers, at the regular Thursday meeting.

Mrs. Owen Maue, Mrs. Raymond Knieriem, Mrs. Norman Strassenburg and Mrs. John Cruise of the Maue PTA attended the meeting of the South western area PTA council of district 19, at the Midlothian school Nov. 27. Details of the meeting is given under PTA news on another page. Mrs. Strassenburg of the Maue PTA told of the hobby show and Mrs. Coulter of North Palos told of the hot dog sales.

Sandburg Beats Mustangs, 56-46

Success Crowns First Conference Start But Islanders Too Tough

In two week-end basketball games the Sandburg Eagles successfully opened the Southwest Suburban Conference race by defeating Evergreen Park by a score of 56-46 and losing to a non-conference foe, Blue Island by a convincing margin 71-35.

After an early Evergreen lead thru the first quarter, a tight Eagle defense and poor second quarter shooting by the Mustangs in which only one field goal was scored, led to a half-time lead of 18-11 for Sandburg. Sandburg stayed comfortably ahead the last half as they outscored the Mustangs 38 points to 35 to win by 10 points.

Mark Hill was high point man as he garnered 10 point on three field goals and four free throws. Aird, Erickson and Martin each contributed eight points and Beck and Arnold seven each as the scoring was well balanced. Granninger poured in three field goals in the last quarter to gather six quick points. Sandburg continues conference play as they journey to Bremen on Friday night for the second conference encounter. In the preliminary game, the Eagles remained winless as they fell before the Evergreen Park team for their second consecutive loss.

In the Saturday night encounter at Blue Island, both the varsity and fresh-soph teams reversed their previous records

as the Eagles picked up their first win of the season 27-20 and the varsity picked their first loss after two straight opening wins. Blue Island presented a strong letter-men studded team against the green Eagles. Sandburg stayed in the game the first quarter as Blue Island led by two, 11-9. However, the red hot Blue Island Cardinals literally blew the Eagles out of the gymnasium at Blue Island as they poured in 26 points in the second quarter while holding Sandburg scoreless until just before halftime. A basket by Beck just before the end of the first half represented all of Sandburg's scoring in the second quarter.

Klein, 6 foot 5 inch center for Blue Island, led all scorers with 11 field goals for 22 points. Aird and Granninger each scored 8 to lead Sandburg scorers and Beck scored 5 points to be third highest scorer.

Sandburg journeys to Bremen Friday night to continue conference play and then plays host to Peotone Saturday night in a non-conference encounter.

Eagle Grapplers Take Kankakee; Bow to Hinsdale

Sandburg high school's wrestling team began its 1956-57 season with a win over Kankakee, 40 to 5, but when it came up against Hinsdale, without the services of John Janulus, a 95-pounder, and Bill Dunneay, a heavyweight, the varsity was nosed out 24 to 22.

The Sandburg frosh-soph matmen also lost to Hinsdale, 28 to 24.

Sandburg's next home match will be next Tuesday night, Dec. 11, at 7:30 when the Eagles will be host to grapplers from Morgan Park Military academy.

Summary of matches:
95 lbs.—John Janulus, (S) decisioned Brosseau (K).
103 lbs.—Dave Gibson (S) drew with Corsario (K).
112 lbs.—Frank Liston (S) decisioned Hess (K).
120 lbs.—Larry Semetis (S) decisioned Lambert (K).
127 lbs.—Gholston (K) decisioned Ed Switzer (S).
133 lbs.—Reed Williams (S) defeated Dankars (K) by fall.
138 lbs.—Ron Zinn (S) defeated Malmar (K) by fall.
145 lbs.—Jerry Hosier (S) decisioned Griffin (K).

175 lbs.—Al Jaklich (S) decisioned Dispenza.
Heavyweight—Carlson (H) decisioned Heiy.

Tinley Basketeers Begin Season with Double Defeat

The Tinley Park grade school basketball teams lost their opening games of the season to Blue Island.

The heavyweights dropped their contest 33 to 23, Blue Island having led all the way. But the lightweight contest was a ding-dong affair that went into overtime. Blue Island finally emerged victorious by a score of 39 to 32.

Tinley led thru three quarters but in the final period Blue Island came up to knot the count at 30 all as the frame ended, to push the game into overtime.

The Tinley heavyweight squad is made up of John Ragsdale, center; Chuck Albright and Bill Vanderveen, forwards; Vernon Sloan and John Punis, guards, and Bob Thomas, Frank Carlson, Charles Powers and Bill Tindall.

The lights are comprised of Bob Hansen, center; Richard Lowadzki and Steve Grossman, forwards; Jim Casey and Bruce Rodger, guards, and John Szaton, Bill Zawada, Mike Gobel and Ronnie Rodger.

Orland Youth Wins Letter at Kemper

Gino Federici, son of Mr. and Mrs. Anthony Federici, 167th and 94th ave., has been awarded a varsity junior college grid letter at Kemper Military school, Boonville, Mo., for outstanding performance on his team this fall. He was given high recognition for his playing ability by his coach, Lt. Donald Rumley.

The letter was awarded in an assembly conducted by Lt. Col. J. G. Kralovec, director of athletics.

Mokena Fives Beat Manhattan In League Play

The Mokena grade school Meteorites successfully opened defense of their DesPlaines Valchampionship Friday night as they turned back Manhattan's Lights 30 to 8. The Meteors made the evening doubly enjoyable for Mokena rooters as they whipped the Manhattan heavies 41 to 12. It was the first conference games for the two schools.

The Meteorites showed excellent promise for the coming campaign altho four of last year's starters have been graduated. Coach Jim Wrath has done well with his charges. Capt. Mark Muehler proved to be the steadying influence needed to weld the newcomers into a team. He scored nine points and did a major share of the rebounding. The scoring leader was Mike Sheridan who tallied 11 points from his guard position.

The Meteor's job was an easy one because of a decided height advantage. The outcome was obvious before the end of the first quarter as the 17 to 2 score indicates. Capt. Joe Kruzich had a hot streak in the opening period and scored nine points before the horn sounded. He added six more points before the end of the game to take scoring honors with 15. Ron Morris contributed 12 and Yunker and Peterson each had six. Manhattan won the heavyweight championship last year.

Mokena's next home game is Dec. 14 against Troy. Game time 7:30. Tomorrow night the Mokena teams will play at Laraway in another pair of conference games.

Outlines Steps To Management Of Wild Life

Have you ever wondered why game laws restrict the length of time for hunting certain kinds of game? According to Harold Scholten, extension forester at the University of Illinois College of Agriculture the first objective of game laws is to save game.

But he points out that they often merely divide the dwindling supply among more and more hunters. Although such laws are necessary, Scholten says they do not tend to increase or preserve game.

Another step in game management has been to control predators that kill game. But studies have shown that game shortages are rarely caused by normal killing of game by other birds or animals. So where game, food and cover are not adequate to start with, predator control is not the answer.

Game refuges are another method of game management. A restoration program is not likely to succeed without refuges. A good refuge provides adequate protection, feeding, breeding and nesting areas. They must be posted and patrolled. But they are not the only answer to effective game management.

Artificial propagation of game has also been tried. Scholten points out that this is neither a profitable nor an effective means of increasing our game supply. However, he does give this method credit for establishing the ring-necked pheasant in Illinois.

The final step is game management of the land. The basic need in preserving wildlife is to make the land more productive for wildlife. Extensive cultivation of our most fertile soils is most important for our food supply, but it does destroy wildlife habitats. However, we do have plenty of poorer soils on which wise land management practices will encourage wildlife, it was stated.

Mat Season at Lincoln-Way to Open Dec. 17

The wrestling season starts at Lincoln-Way Dec. 17 with Reavis as the first foe. Wrestlers returning from last year include Woody Zitter, who took first place in the sectional and seventh in the state last year, his brothers, Kenny in the 95-pound class and Eddie at 118-pounds, Jim Lee at 135, Lawrence Hunt at 103, Delbert Yunker as a heavyweight, and the two Hammond brothers, Virgil and Chuck at 127 and 135 respectively.

The schedule for Lincoln-Way this year is

Dec. 17—Reavis (H)	
Jan. 8—Kankakee (T)	
11—Bremen (H)	
15—Evergreen Park (T)	
17—Rich (T)

Business and Finance

Maurice P. Angland

Last week the government announced that the price index had hit a new high. This has been expected for some time. Of course this naturally means that the purchasing power of the dollar has been lowered by that particular increase in the index.

The difficulty in the Middle East and Europe will undoubtedly bring about further price increases.

This erosion of the purchasing power of the dollar has been going on for many years. The erosion is sometimes noted as "creeping", but at times it has been much faster. Wage increases which are greater than the increase in labor's productivity, must be added to the price of items produced. The industrialist is usually able to shift his production processes as costs or prices change. The farmer, on the other hand, must put his production processes into motion without exact knowledge of what the ultimate output will be or what prices that output will bring. This is one factor in disparity in industrial and farm income.

Anyone saving his dollars for future use, naturally intends to save the same purchasing power as at the time of saving of the particular dollars. The department of labor consumer's price index shows that at the close of 1954, it would require \$15,019 to purchase the same items which \$10,000 would have brought in 1945. This is more than a 50 percent reduction of purchasing power of the dollar. Assuming an investor had \$10,000 loaned at 3 percent in 1945. At the end of 10 years he had received \$3,000 in interest. With interest and principal, he has \$13,000 whereas he requires more than \$15,000 to achieve the purchasing power of 10 years previously. He has, therefore, lost about \$2,000 of his principal in so far as purchasing power is concerned.

Common stocks of our leading corporations have reflected changes in purchasing power of the dollar. This is natural since they represent the ownership of those corporations.

Our grandfathers who did investing, bought mortgages or first grade bonds as the foundation of their investment portfolios. Trust funds investments were limited, by law, to investment in much the same group.

Today, due to necessity to protect purchasing power of estates, most states now permit investment of trust funds in common stocks.

Some of the largest of life insurance companies are seeking the right to sell annuities which will be based on well selected common stocks and therefore bring a return on the investment and also keep level with the purchasing power of the dollar.

Of course diversification of common stock investment is highly desirable for profit and security. Most medium and smaller investors do not have the funds for a well diversified investment in the leading corporations.

Mutual Funds are a creation of the past two decades. They are now very popular for both large and small investors. Total asset value of Mutual Funds is now about \$11 billion. There are many such Mutual Funds offered to investors which represent a cross section of the top corporations and supervised by professional investment management. Most of the best of these funds will accept as little as \$250 as an initial investment and monthly or quarterly investment as small as \$25.

A ten per cent drop in Illinois highway traffic fatalities during Oct., as compared to Oct., 1955, has been reported by the department of public works and buildings. There were 206 such deaths this October; in the same month last year 230 were recorded.

ORLAND PARK

Mrs. Sherman Knox
Orland Park: Fieldbrook 9-0211

The annual Christmas party on Monday evening, Dec. 10. Mrs. Wm. Wilson, chairman, has arranged a festive program consisting of an organ recital, songs by the newly organized club chorus and the gift exchange.

Mrs. Robert Plastow will present a Christmas program in connection with the devotional period, when the Woman's Society of Christian Service of the Orland Park Methodist church meet in the church, Thursday, Dec. 13 at 1 p.m. Refreshments will be served. Everyone is invited and welcome.

The regular meeting of Laurel Camp 1796 RNA was held Thursday evening, Nov. 29 in the home of Mildred Shroats. Plans were made to have a Christmas party and gift exchange at the December meeting, to be held in the home of Mrs. James Gray. After the of the Orland Park Jr. Womans club will be held at the home of Mrs. Merrill Cooper at 8 p.m. business session, bunco was played after which refreshments were served by Mildred Shroats Bernice Reish and Laura Yunker.

Dr. and Mrs. Wesley Lindquist of Chicago, formerly of Orland Park, entertained at a belated wedding anniversary celebration Saturday evening, Dec. 1. Other guests attending were Mr. and Mrs. George Gee, Jr., Mrs. Karl Ekberg, Ivar Benson, Mr. and Mrs. Harry Anderson, Miss Augusta Peterson, Mr. and Mrs. Harry Pihl, Mr. and Mrs. Harold Braasch and Mr. and Mrs. Sigmund Smith. Dr. Lindquist showed colored slides of their trip to Hawaii, which was much enjoyed.

A miscellaneous bridal shower was given Dec. 1 in honor of Miss Rosemary Collins, at the home of Mrs. Henry H. Wolske. Hostesses were Mrs. Wilbur Lang, aunt of the bride elect and Mrs. Henry Wolske, sister of the groom elect. The decorations were a colonial type umbrella with streamers in the bride's colors. Guests of honor were Mrs. Thomas Wheeler, grandmother of the bride, and Mrs. Gordon H. Powell, mother of the groom.

Rosemary received many useful and beautiful gifts. Salad, crackers, coffee and cake were served. Everyone reported having had a fine time.

Mr. and Mrs. William Nicolai left Monday morning to spend the winter in Tampa, Fla.

Mr. and Mrs. Joseph Lebens and son Barry spent the weekend with friends in Ottumwa, Iowa.

Mr. and Mrs. E. J. Oranger spent the weekend in Richmond, Ind. visiting friends.

Denise Dee Ebeling, infant daughter of Mr. and Mrs. Paul Ebeling, was baptized during the morning services in the Methodist church Nov. 25 in

Tinley Park, the Rev. Glenn several Laguna Cub Scouts.

Mrs. George Brown who made her first attempt at ice skating, was doing fine until she decided to quit and rest awhile. Then it was that she fell and broke her wrist. Mrs. G. Bend's drove her to the doctor's office.

Paul is the son of Mr. and Mrs. Robert Ebeling, who reside in Orland Park.

Mrs. Elizabeth Beauregard who has been a patient in Hazelcrest hospital for a number of weeks, is home and convalescing as well as can be expected.

The monthly skating party sponsored by the Orland PTA will be held in the elementary school gym Friday, Dec. 7 at 7:30 p.m. Grade school children and their parents are invited to attend.

Laguna Woods

Mrs. Robert Anderson
Fieldbrook 9-2857

Several of our teen age boys from Laguna Woods are active in sports at Carl Sandburg this year. Jerry McBride is on the basketball team and Joey Militello who is active as a cheer leader, is also a member of the Pep club.

Kenny Hegyi is on the Fresh-Soph wrestling team, and appeared at the last match held Nov. 29 in the Hinsdale high school. He wrestles in the 175 pound class, his opponent at Hinsdale, weighed in at 177 to his 160 pounds. We're all proud of Kenny, he lost by only one point.

Mr. and Mrs. John Tabbert returned Sunday from their vacation spent mostly at Sarasota, Fla. Enroute home they spent a few days in Orange, Tx. The Tabberts who recently sold their Standard Oil station on Harlem have decided to sell their home on Redondo. We will miss our neighbors when they move.

Art Arnold who has been recuperating at Passavant hospital in Chicago is expected home this week.

The Cub Scouts from Palos Highlands who wish to see "Seven Wonders of the World" in cinamoscope may do so Dec. 15. A chartered bus will pick them up at 135th st., at 9 Saturday morning and return them to the same point after the movie seen in Chicago's loop. Tickets are 90c and bus fare 60c. Any parent who wish to attend will be welcomed as chaperones.

Penny Yomans is recuperating after serious surgery in So. Chicago hospital. Penny is the daughter of Mr. and Mrs. Peter F. Yomans of Palos Highlands. Mrs. Yoman is den mother to

Farmers Seek to Spur Wheat Sales In State

Farmers, farm women, and Rural Youthers from every Illinois county gathered for a breakfast at the Sheraton hotel yesterday (Dec. 5) to help the nation's second largest city launch its meat promotion campaign.

Guest of the farm people were meat retailers, wholesalers, restaurant and hotel managers, and others who merchandise meat here.

Following a report on the effort farmers are making to move this year's record supply of meat into consumption, the farmers were guests of the various industry people for conducted tours. They visited packing plants, hotels, restaurants, and grocery stores to give farmers a better insight into problems that develop in the sale and distribution of meat.

Some learned how meat is purchased, processed, and served in leading hotels, others visited packing plants to find out problems meat packers are concerned with.

From the contact the farmers will have a better understanding of the way meat is handled after it is sold to the packer. A report dinner meeting was held last night to exchange information the farmers gathered on the tours.

Farmers from every Illinois county attended the meeting, each county Farm Bureau choosing a representative to participate in this extensive meat promotion campaign in Chicago. Most counties have launched aggressive meat promotion campaigns to remind housewives of the excellent buys available in pork, beef, lamb and poultry.

In addition, 15 farm wives—one from each of the Illinois Agricultural Association districts—and five Rural Youthers participated in the all day effort to boost the sale of meat.

Sale of livestock and poultry provides an important part of the total income for Illinois farmers. About 44 per cent of the total farm income in 1955 was from this source. Supply exceeds last year's previous all time high by about five pounds per person.

"Farmers want this meat going into consumption and not into government storage," Otto Steffey, IAA president, declared "Enthusiastic participation in the meat promotion campaign shows farmers are willing to volunteer their time and money to boost farm products."

"They do not want a government program promoting farm products with money taken from farmers on a checkoff basis."

WTTW Will be Year old Dec. 11

WTTW, Chicago's educational television station on Channel 11 observes its first birthday the week of Dec. 10.

WTTW's Museum of Science and Industry studios were dedicated Dec. 11, 1955. Its regular schedule of telecasts began the next day. In that week the station began 40 new shows, half of them live. This followed two months of test programming from a temporary loop studio loaned by the Chicago Board of Education.

In its first year WTTW's program offering has increased from an initial 30 to 43 hours a week and its staff has doubled.

It has launched several TV firsts for Chicago and the nation—the latest is credit courses offered by the Chicago City Junior College leading within three years to an Associate in Arts degree.

Last week WTTW began another new service—Broadening Horizons—a series presented by the Tri County Schools Division of the Illinois Association of School Boards to keep teachers abreast of current developments in a variety of important fields.

Several new series are planned for winter and spring.

Parents Organize As Group To Aid Handicapped Children

The Council for Handicapped Children is the name adopted by a new parents group in the South Suburban area. The new council voted that all persons interested in the advancement of the interests of handicapped children may become members but that only parents will be eligible to hold office.

The following statement of purposes was adopted:

"To promote the educational, social and emotional development of all handicapped children in the south-suburban area."

"To educate the community on the problems of the handicapped and to promote the acceptance of handicapped children in the community."

"To work with other parent groups toward a common goal."

"To support legislation in local, state and federal bodies on behalf of handicapped children."

Parents of handicapped children and others interested were urged to make personal efforts to extend membership in the Council for Handicapped Children to all concerned. Thus far, parent from 13 different south suburban communities have met with the group.

Named to committees were the following, with other appointments to follow:

Nominating: Donald Barnes, Steger; Robert Bogg, Park Forest; Eugene Franson, Homewood

Bylaws: Philip Trees, Park Forest; Mrs. Shirley TenBraeck, Richton Park.

Education: Robert Bogg, Park Forest; Mrs. Thelma Bacon, Crete; Mrs. Eugene Franson, Homewood; Mrs. Ann Cooper, Park Forest; Principal Kenneth Underwood, Blackhawk school, Park Forest; Philip Denbo, counselor, District 163; Mrs. Robert Somerman, Park Forest

The Council decided to elect

permanent officers at the January meeting. It was also voted to meet regularly on the second Friday of each month.

Mrs. Somerman, representing the Park Forest chapter, National Council of Jewish Women explained plans by her group to sponsor a day camp for handicapped children in the area. It is contemplated that such a camp, with special counselling, would be correlated with the existing summer recreation program in the village, she said. The parents gathered into smaller discussion groups according to like handicaps and then reassembled in a general meeting, reporting highlights of their discussions.

Temporary co-chairmen are Mrs. Donald McClurg, Park Forest, and Donald Barnes, Steger

GETTING MORE MONEY?

People have more money today than they did before World War II. But here are some sobering comparisons: A worker who earned \$3,000 in 1939 needs \$6,122 today to be as well off. The family with a \$5,000 income in 1939 has to have \$10,583 now. And 1939's \$25,000 a year man was doing just as well as today's executive who brings in around \$68,000 a year. Taxes and inflation make the difference. No denying it, the dollar has really shrunk.—Changing Times

To fill a medium-sized oil tank ship would require the liquid cargo of nearly eight hundred of the big clipper trucks that haul oil on highways and at airports.

SCHOOL CALENDAR

Dec. 14—Bremen (H) Basketball
Dec. 15—Rich (T) Basketball
Dec. 17—Reavis (H) Wrestling (4:00)
Dec. 18—Christmas concert
Dec. 21—Sandburg (T) Basketball
Dec. 22—Christmas Dance

ATTENDS NCTE MEETING

On Nov. 22, 23 and 24, Miss Eunice Harra of the Lincoln-Way faculty attended the meeting of the National Council of the Teachers of English in St. Louis. The meeting, an annual one, brings together representatives of English teachers from schools throughout the United States. The National Council is the largest single professional organization of English teachers and includes elementary, high school, and college teachers.

CLUB, CLASS ACTIVITIES

The Lincoln-Way Camera club is sponsoring a photography contest for members only. It will end Dec. 11. The three classes are human interest, scenery and the best picture of our school.

Prize winning prints from the National Photographic Contest will be exhibited at Lincoln Way High school from December 9 to 15 under the auspices of the Camera Club.

The Future Nurses of America have divided into two groups the junior-senior group and freshman-sophomore group. Miss Mary Don Butzback will become sponsor of the freshman sophomore group. Plans are to have programs which both groups will attend.

The Future Homemakers of America are planning a "Coke-tail Party" for all students of Lincoln-Way high school. The cover charge will be twenty-five cents.

"Snowflake Serenade" is the theme of the Christmas Dance to be sponsored by the Student Council Dec. 22.

The freshman social studies classes have utilized many community resources this past week in connection with the unit on safety they are now studying Tuesday, Nov. 27, Mr. Little from the EJ&E railroad spoke to the classes, and Wednesday Nov. 28, the speaker was Miss Kennedy, from the Red Cross.

WINS HONORS IN FOOTBALL

Lincoln-Way should indeed be proud of Ed "Woody" Wood-

ward who has distinguished himself as a very versatile football player. Woody has received many honors the past two years in the state as well as in this area. He has been on the All Conference and Joliet Area football teams both years at end, tackle, and center positions. For two years he has received honorable mention as tackle on the Champaign News-Gazette and Chicago Daily News All-State teams. On the Herald-American Chicago Area team he received special mention. Coach Jonas Lashmet's words, "He's the finest all around player I've ever coached," are echoed in the many positions he played on Lincoln-Way's team this year.

His plans for the future include college, but he has not decided where he will go. We wish the best of luck to him and congratulate him on his fine performances these past two years.

Carelessness Maims, Kills, Experts Warn

It takes only a fraction of a second to have an auto accident if your mind and eyes are not on the road ahead.

This warning comes from Arthur S. Johnson, Director of the Institute for Safer Living of the American Mutual Liability Insurance Company, who emphasizes that driving is a full time job. "In one brief second your car can travel from safety under control to an accident out of control if your attention is diverted elsewhere", he stated.

The average driver has difficulty in measuring the length of a second when translated into terms of speed and distance. But, Mr. Johnson pointed out, at 60 miles an hour an automobile travels 88 feet in one second. At today's speeds in today's fast cars, can any driver afford to let his car drive itself for that distance?

The accident possibilities become very clear when arithmetic again shows that two cars approaching each other at 60 miles per hour will, from the time

that they are ten car lengths apart, either pass safely or collide within only one second of time. There is no time for decision in that interval.

The days of casual and pleasure driving are just about over, Johnson declared and the sooner we realize how dangerous it is to divide our attention between driving a car and looking at scenery, tuning the radio or looking at a road map, the safer our highways will be.

There seems to be countless ways that drivers manage to divert their attention from their driving. Basically the reasons for doing these dangerous things are five:

Greater comfort—reaching to adjust a window, battling with a bee inside the car, operating electric shaver, putting on sun glasses, putting on or taking off your gloves, slipping in, or out of coat.

Double-checking details—looking for something in the glove

compartment, reaching for something in the glove compartment, reaching for something in the back seat, winding dashboard clock, checking road map, worrying about roof-top loading, fretting about engine noises, looking for street signs and house numbers.

"Safety"—cleaning inside windshields without stopping, adjusting rearview mirror, holding junior onto seat, reaching

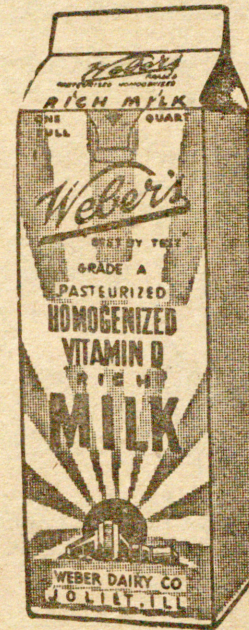

THE NEWS-BULLETIN
Thurs., Dec. 6, 1956 Sec. 2

over to close door, watching in the rearview mirror.

Entertainment—tuning the car radio, taking in scenery, amusing the children.

Personal pleasure—lighting a cigarette, eating candy bars, popcorn, sandwiches, etc., one-arm driving.

It's a new kind of
FORD
in **TWO BIG SIZES**

The low-priced '57 Fords come in 2 big sizes

Here are two new ways to go BIG! Choose one of Ford's distinguished Custom or Custom 300 models—over 16 feet long. The elegant Fairlane and Fairlane 500 models are over 17 feet long! They're the biggest Fords ever!

There's a big power choice, too! Silver Anniversary V-8 engines* and a new Mileage Maker Six.

New Fairlane 500 over 17 feet long

It's up to 9 inches longer, as much as 4 inches lower, America's first big low-priced car. And here's why it's the best buy on the market today.

Beneath Ford's look of tomorrow is a new "Inner Ford." The lower, wider, contoured frame allows all passengers to sit within its side rails. New

*A special 270-hp Thunderbird 312 Super V-8 engine available at extra cost. Also, extra-high-performance Thunderbird 312 Super V-8 engine delivering up to 285 hp.

springing takes the bounce out of the roughest roads. For your comfort, there's even more inside room! This new Ford body is built for keeps!

There are 5 all-new Station Wagons, too! 9-passengers, 6-passengers, two-doors, four-doors... and every one is a spacious cargo carrier. They all have Ford's new wrap-around liftgate for easier loading and better vision.

Big is a low-priced word in the

The words that I speak unto you, they are spirit, and they are life. (John 6:53.)

When as a boy of thirteen I left my home in Sweden for America without any money or the language of the country, the last words of my mother as the train pulled out were: "Nels, remember Jesus; Nels, remember Jesus." Deep down those simple words have been rock-bottom wisdom. Here we see and meet God.

When I arrived at Ellis Island, no one there became my guardian. For eleven days I had to be in prison, with no person who could understand me. My one comfort was my Swedish Bible. I read it and read it, and found God near in it.

May I make the personal confession that without the Bible I am quite lost. It is so much a part of my daily routine, that all of life would be altered if the Bible were not being read. How can we ever thank God enough for such a blessing?

Let the Bible, therefore, be no problem but a power. Let it unite by its love, lead by its light, and save by its spirit.

PRAYER

Our Father, we thank Thee for Thy Holy Word. May the Bible help make present Thy grace that our fear and darkness be driven out by Thy love and light. Through Christ, the Son of Thy love. Amen.

THOUGHT FOR THE DAY
As Christ is God's love lived, so the Bible is God's love written.

Nels F. S. Ferre (Tennessee)

Port to

The final bid letting of the season was held at Springfield last week when the state division of highways took bids on 31 road construction projects totaling \$3,686,000.

For the thirteenth year millions of Americans of all faiths will join in daily Bible reading from Thanksgiving to Christmas. This Worldwide Bible Reading is sponsored by the American Bible Society. The program was observed last year in 49 countries.

The readings below were selected by numerous denominations. They are without note or comment, and one may use any version of the Bible he prefers.

A Mokena girl, Jeanne Schiek, who placed second in the annual Will county oratorical contest conducted among high school students under the sponsorship of the Joliet Junior Chamber of Commerce, is show here as she received a trophy for her efforts. The trophy was presented by Robert Chisholm, of the JJC, at the conclusion of the competition Nov. 28. The contest was held in the Elks ballroom in Joliet. Miss Schiek is a senior in dramatics and speech at Lincoln-Way high school.

Voice Support of Toll-Free Phone Service

At a public hearing last week before the Illinois commerce commission, a delegation of public officials and civic leaders voiced strong support of a proposal to establish toll free telephone service among a number of communities in the Joliet region.

The hearing was conducted in Chicago by Edward Melcher, commission telephone engineer.

The commission called the hearing after Illinois Bell Telephone Co. presented a petition on Oct. 15 for an "extended area service plan" in the Joliet and Barrington regions. The plan was developed by the company in response to requests of subscribers, many of whom had petitioned the Illinois commerce commission or contacted Illinois Bell asking that their local calling areas be enlarged.

Illinois Bell's petition provides for extending the toll free calling areas of 16 exchanges, including Joliet, Plainfield, Minooka, Elwood, New Lenox, Lockport and Lemont, as well as other communities in the Barrington-Elgin region. Toll charges now being paid by subscribers on about 2,000,000 calls per year within these areas would be eliminated under the proposed plan, after basic rates are increased.

One of the first to testify at the hearing was Paul McKeown, President of the Joliet Association of Commerce, who said his 1,600 member organization "unanimously approved" the plan.

J. G. Stuff, of the Will County Farm Bureau, said that his organization "heartily approved" the proposals.

Mrs. Walter Bridge, Elwood housewife, presented a letter from the mayor of Elwood stating that the majority in that community approve the plan and "want to become a part of the Joliet area."

Frank Turk, Joliet merchant and member of the Greater Joliet Committee, testified that he approved the new telephone plan.

Milton Wolfson, representing the retail division of the Joliet Association of Commerce, reported that his organization had prepared a resolution unanimously approving the proposal.

Other witnesses who appeared to testify in favor of the plan were: Edward Liberty, Jr., supervisor of Channahon township; John Francis, supervisor of New

Lenox township; Donald McCoy village clerk of Minooka, and Walter Anderson, a Channahon businessman who said, "Personally, I've been waiting 10 years for such a plan."

L. R. Stang, Illinois Bell general rate engineer, gave details of the proposed plan in his testimony. He explained that, "Just as a community of interest is no longer confined by city boundaries, neither is good telephone service."

He said the proposal is designed to meet the modern, day to day telephone requirements of customers, and thus give better and more efficient telephone service. "The customer will receive more service for his telephone dollar."

Stang explained that community and civic leaders were interviewed throughout the region concerning the plan. The results he said, showed that 85 per cent favored the proposals, 13 per cent were neutral and 2 per cent preferred the present service and rates.

He said that under the proposed changes the monthly rate increases would be small. For residence customers, 26 per cent would not be increased, 56 per cent would be increased 10 to 25 cents per month, and 18 per cent would be increased more than 25 cents.

Among business customers, 36 per cent would not be increased 42 percent would have increases of 25 or 35 cents per month, and 22 percent would be increased more than 35 cents.

Stang said the new plan would eliminate toll charges currently being paid on about 2,000,000 calls made annually among the communities involved. These increases in basic monthly rates,

he pointed out, would be more than offset for the company in the loss of toll charges. "The net result would be a reduction in bills of about \$15,000 a year."

Bordon W. Winks, Illinois Bell general attorney, stated that if the plan is approved, Illinois Bell expects the volume of calls between these towns to jump at least to 7,000,000 a year. He said this estimate is based on the company's experience in several areas where such plans have been applied. Before toll charges were removed on calls between Joliet and Plainfield, for instance, customers had made about 300,000 calls yearly. Now they are calling at the rate of over 1,100,000 calls a year, he said.

The hearing was continued to Dec. 7 after Glenn E. Miller, attorney representing Lockport, said officials in his community needed time to study the telephone company proposal.

Two other attorneys filed appearances at the hearing. Paul Brumund, Corporation Counsel for Joliet, told Melcher that a majority in the Joliet City Council favored the proposal. Richard J. Fitzgerald, representing Lemont, stated that they had no objection to approval of the plan.

IAA Election Close Affair on Vice President

William J. Kuhfuss, 44, Tazewell county Aberdeen Angus breeder and grain farmer near Mackinaw, is the new vice president of the Illinois Agricultural Association.

Kuhfuss was elected vice president in a close race, defeating Edwin Gumm, Galesburg, by a vote of 85,345 to 81,005. Kuhfuss was an unsuccessful candidate last year. He succeeds Charles J. Elliott, Streator, who died unexpectedly on Nov. 13 during the convention at Chicago.

Before Kuhfuss was elected, the voting delegates at the 42nd annual meeting enthusiastically re-elected Otto Steffey of Stronghurst for his second full term as president. Steffey succeeded Charles B. Shuman as president in 1954 when Shuman became president of the American Farm Bureau Federation.

Kuhfuss has been active in many fields of community service. He operates 880 acres in partnership with his brother. He served as vice president of the Tazewell County Farm Bureau in 1949 and was president from 1952-55. He also served six years as a director of the Tazewell County Service Co.

sboro school and civic leader, has been elected to the board of directors of the Illinois Agricultural Asso. Sauer succeeds Merrill D. Bottom, Anna, who has retired from farming. Sauer is one of two new directors on the board. The other is Howard Lanterman, Chatham.

Driver Training Much Cheaper Than Lives and Autos

For less than half of what highway accidents cost Illinois in one year, all the state's high school students could be given driver education for the next 40 years says Prof. A. E. Florio of the University of Illinois, who has made a study of the relation between accident losses and driving programs in schools.

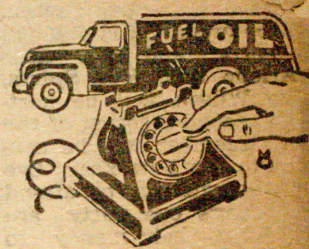

Prof. Florio points out that in many states driver education has reduced highway fatalities, accidents, and violations involving teen agers by 40 to 60 per cent. Many insurance firms have lower rates for young drivers who have completed such courses.

The 562 of Illinois' 716 public high schools offer some driver education, only 14,000 of the 230,000 eligible students receive complete driving courses says Prof. Florio, who points out that driver education—including classroom and practice instruction—can be provided at a cost little more than \$33 per student.

and Willie Kramer. These boys and girls are students of the 7th and 8th grades.

Taking part in the 2nd half of the show were: Kathy Greenman, Tom Setzner, Mrs. Mary Greenman and Frank Knowles of Joliet. Ricky Parcham sang "A Hymn to Saint Francis." Music was under the supervision of Mrs. Elaine Griffin. The entire program was under the direction of Mrs. Mary Greenman.

The afternoon circle of the WSCS of the New Lenox Methodist church met Dec. 5 for a luncheon at the church.

Members of Girl Scout troop 97 will have a house to house canvass Saturday, to sell Girl Scout peanuts.

The Womans Guild of the Grace Episcopal church will hold their Christmas party in the church parish hall this evening Dec. 13 at 8 pm. Mrs. Laura Morris and Mrs. Mary Morris are hostesses. There will be the usual gift exchange with a gift to be brought for a child and one for an elderly person for the Deaconess' Christmas tree. Members may bring a guest.

Mrs. Michael Brueggeman and infant son, Michael Edward, Jr. have returned home from Silver Cross hospital.

Mrs. Norman Johnson assisted by Mrs. Roland Cagwin, were host to the members of the Second Child Study club Thursday

night in the Johnson home. Plans were made for the Christmas party to be held Dec. 15 in the Lions den, for the children of the members. Those on the committee in charge of the party are, Mrs. Cagwin, Mrs. Johnson, Mrs. Helen Kokal, and Mrs. Helen Drake. There will be the usual decorated Christmas tree with gifts under the tree for the children. Dessert coffee was served. The group will meet again Jan. 31 in the home of Mrs. Dolores Wysock with Mrs. Etta Mae Brooks as co-hostess.

Mrs. William Collatz entertained at a slumber party Friday night honoring the birthday anniversary of her daughter Merry Lee who was thirteen. The evening was spent in playing games, and prizes were awarded. A buffet luncheon was served at midnight by Mrs. Collatz who was assisted by another daughter, Mrs. Richard Egly. Merry Lee received many nice gifts from her guests who were, the Misses Terry Diffy, Karen Braun, Marcia Weiss, Donna Hussey, Sharon Vally, Merry Lee Cummings and Virginia Feil.

Mr. and Mrs. William Clark entertained recently at a party honoring the birthday anniversary of their daughter Cheryl who was two years old.

Altar and Rosary

St. Judes Altar and Rosary society met Tuesday night in the parish hall. An interesting pro-

gram sponsored by the Public Service company of Joliet was presented.

"Live Electrically," a short movie was shown by John Bar-kow and David Faller of the Public Service company, after which Miss Murdock demonstrated preparing a meal, and baking a cake in the electric fryers.

Mrs. Edna Cutler led in the saying of the Rosary, after which Mrs. Ray Reiter conducted the business meeting. She gave a report of the recent card party held in her home at which she entertained 44 guests, and

announced that Mrs. Ivan Archibald will hold a card party in her home Friday, Dec. 14. A report was given on the hosiery that is being sold by the society and anyone wanting to buy hosiery are asked to contact Mrs. Margaret Carnahan at 4621.

Plans were completed for the Christmas party to be held Tuesday, Dec. 18 with a potluck supper at 6:30 pm. in the church hall. It was announced that an interesting program is being planned for the meeting, when two nuns who are Missionaries from Ireland will be present

A LOAD OF THANKS FROM STADEL'S

To our many, many customers and friends who attended our Open House making it a larger success than we had expected.

Also a big Thank You to those who sent flowers - it helped to make our day successful.

Winners of the awards are: Robert M. Hodges, Orland Park, the half price kitchen cabinet job.

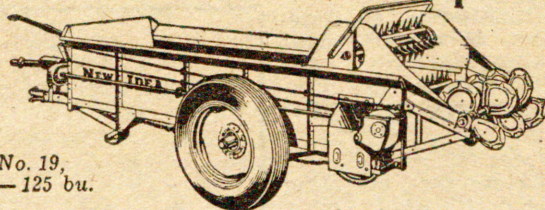

Other awards: First, Mrs. Henry Shevlin; 2nd, Mrs. L. Rinder, and 3rd, Mrs. George Rinke, all of Mokena. 4th prize, Adele Brizzalora, Blue Island.

Our complete modern kitchen will continue to be on display and open to the public. Those who have not been able to see it as yet may do so each week day from 8 a.m. to 4:30 p.m.; Saturday from 8 a.m. to noon. Other times by appointment by calling Mokena 5192 or 3971 when we will be more than glad to show you through our shop and products of which we are proud including our workmanship and service, which we will maintain at all times.

If you need a cabinet, wardrobe, bookcase, or a complete kitchen, call for a free estimate. We specialize in complete modern kitchens.

and will talk on the mission in Ireland and the work they are doing. Mrs. Reiter asked for help in the making of Christmas wreaths and decorations for the church. Those who can assist are to call Mrs. Reiter or Mrs. Carnahan.

A luncheon was served at the close of the meeting by the board members Mrs. Mabel Reiter, Miss Mary Lacey, Mrs. Rosemary Romeo and Miss Nora Lydon.

Mrs. Walter Gougar is a surgical patient in Silver Cross hospital.

Mrs. Stanley Drake is a surgical patient in Silver Cross hospital.

Evening WSCS Circle

Mrs. William Stoner was installed as president of the Evening circle, at their meeting Tuesday night, Nov. 27. Mrs. Gerald Johnson, the former president who recently moved to Griffith, Ind., was presented with a gift from the group by Mrs. Stoner. Mrs. Robert Taylor was elected secretary to replace Mrs. Stoner.

The group voted to sponsor a Chile supper in the near future the date to be announced later.

A report on the WSCS meeting was given by Mrs. James Sampson. The next WSCS meeting will be held Thursday, Dec. 13 at which time articles for the church nursery may be brought in place of the usual Christmas gift exchange. Mrs. Harlow Jensen was in charge of the devotions, with each member giving individual thanks.

Mrs. James Hyndman of Gary, Ind., sang several Christmas carols, and an interesting program on Christmas decorations was given by Mrs. Donald Walsh of Joliet and Mrs. George Volling of Lockport. Guests were the Mesdames Doris Krohn, Linda Drotts, Frances Schroeder, and Donna Schiffler.

Hostesses were Mrs. Dorothy Berger, Mrs. Beverly Facinelli, Mrs. Eugene Hunt and Mrs. George Vally.

Mr. and Mrs. Stanley Gilmore and son David have returned from Fort Worth, Texas, where they visited with their other son Russell who attends Texas Christian university.

Trinity Woman's League

The Womans League of Trinity Lutheran church met for dessert coffee and business meeting Nov. 27. Hostesses were Mrs. Walter Ruthenbeck, Mrs. Anthony Padzuikas, and Mrs. Charles Reeser. New officers elected are: President, Mrs. Al Mitchell, vice president, Mrs. Earl Peterson; secretary, Mrs. Donald Anderson and treasurer, Mrs. Amos Bruns.

Mrs. Jacob Knupp was welcomed as a new member.

Plans were made for the Christmas potluck luncheon and party to be held Dec. 11 at 1 p. m., when the new officers will be installed. Members were urged to bring guests to enjoy the meeting with them.

Woman's Club

The Womans club of New Lenox met at the home of Mrs. Don Anderson Nov. 20 at 1:30 for dessert coffee with Mrs. Amos Bruns assisting hostess.

Mrs. Laura Morris and Mrs. Clementine Hendrixson presented the program with a Thanksgiving theme.

Plans were made to take a gift of home made jellies and jams to the Old Folks home.

The next meeting will be the Christmas party at the home of Mrs. Elton Pyle on Dec. 18 at 1:30. There will be a gift exchange.

WOMEN ARE SAVERS

Wives more often than husbands are responsible for saving money. According to recent surveys, both husband and wife manage the savings in 59% of the families, the wife in 25% and the husband in 15%. In families whose income is above \$10,000 a year, the husband is more likely to see that some money is put away. But in families in the \$2,000-\$10,000 bracket the wife plays the more active role in making sure something is saved.—Changing Times.

Scout News

Mokena Girl Scouts

The Mokena Neighborhood of Girl Scouts met November 27 in the home of Mrs. Rudolph Tinglehardt, neighborhood chairman, with twenty-two leaders and troop committee women present.

The neighborhood is pleased to add six newly trained leaders to active leadership. Mrs. James Horras, Mrs. Melvin Montrey, Mrs. Loren Collins, Mrs. Arthur Omland, Mrs. Edward Haeslett, and Mrs. Robert Lang completed their leadership course in Lockport Nov. 29.

Committees appointed for the year are: Nominating, Mrs. Clarence Berg, Mrs. Albert Jan, Mrs. George Stanisiz; Feb. Girl Scout Rally, Mrs. James Horras, Mrs. Robert Floyd, Mrs. Arthur Omland; Homecoming or Community Exhibit, Mrs. Ambuehl, Mrs. Arthur Omland, Mrs. Melvin Montrey; Day camp, Mrs. Clarence Berg, director and Mrs. Harold Behen, Chairman.

Dates for first aid instruction classes sponsored by the Mokena firemen will begin Jan. 17 in the school gym. Nine Girl Scout leaders have indicated their intention of signing for this course.

The Girl Scouts have been requested to make ornaments for the Christmas tree on Front st., thus adding extra projects with the regular programs.

Mrs. James Horras gave an optimistic report of the region-Bible conference in Milwaukee. She received an absorbing and impressive over-all picture of the vast scouting program. One emphasis was on the urgent need for more outdoor life and activity for American children who move to or from heated rooms to heated cars or sit chained to television when part of this time, as least, could be profitably spent in outdoor activity or more energetic activity. Plain the home Government surveys and studies by youth organizations, etc., have established the fact that the children of today lack the physical fitness of children reared in the early 1900's, which also proved not to be as fit as European children of today.

Girl Scout leaders try to channel youthful energies in physical activities thru outdoor and indoor sports, camping, hiking, fishing, swimming, bicycling, and many other. The purpose is to develop bulging biceps to develop happy, healthy children with enthusiasm for daily and wholesome interests, ability to accept responsibility cheerfully and ingenuity in solving every day problems of contact and social relationships.

Troop 107

Troop 107 elected Nancy Bischoff as secretary to serve to the end of February. Other officers elected are: Mary Ann Horras, president, and Pasty Murphy, treasurer.

The troop recently entertained the third grade Brownie troop in the St. John's basement. Games and songs were

enjoyed and refreshments of fruit punch and cookies were served.

The girls have started on their Christmas presents. The troop meets regularly in Sherwood's playroom, with their leaders, Mrs. Fred Leimann and Mrs. James Murphy.

Girls' Club Aids Needy At Thanksgiving

The Girls' club of Bremen Community high school, conducted their Thanksgiving project Nov. 19, 20, and 21.

Each year at this time the club's homeroom representative asks for contributions of cash or canned goods from each person that cares to donate. The funds are used for the purchase of perishable foodstuffs. The canned goods and other items are then distributed to the needy families in the Bremen High School area as suggested by various community agencies.

Each bushel basket contained a turkey, potatoes, bread, canned goods, pumpkin, cranberries, coffee, fresh fruits and vegetables and other various sundry items. Approximately twenty baskets were distributed.

Girls' club members and Miss Schultheis, sponsor of the club, wish to thank all of the students, parents, teachers and administrative staff for their co-operation in the making of this project a success.

U. S. Workers Safer on Jobs Than When Off

The American factory employee today is safer while at work than he is off the job, as a result of industry's constant and continuing campaign to prevent accidents, figures show.

In 1926—the first year for which national figures are available—there were in U. S. manufacturing industries, 24.2 lost-time injuries for every million

man hours worked.

That rate has constantly declined, until today it stands at less than half that rate—11.9 for the second quarter of 1956, statistics show.

The greatly reduced rate of total lost time injuries gains even greater significance when it is considered that the 1926 rate applied to less than 10 million employees, while the 1956 figure applies to almost 17 million employees, it was said.

Despite this excellent record, American industry is not satisfied or content, according to the National Association of Manufacturers.

It recognizes that any injury rate is a bad rate—that accidents are wrong because they cause pain, suffering and economic loss, and that they are not inevitable or unavoidable.

A recent survey of 33,537 irrigation wells in the high plains area of Texas shows that 46 per cent use liquefied petroleum gas, 35 per cent run with natural gas, and the remainder operate with gasoline, diesel fuel, or electricity.

WE REMEMBER

To a beloved memory, this is the unchanging message of a beautiful monument. Express your tribute adequately and enduringly in a Select Barre Granite memorial.

CARL SANDBURG
HIGH SCHOOL

MATHEMATICS DEPT.

The mathematics department of Carl Sandburg is proud of its 334 freshmen enrolled in mathematics along with approxi-

mately 250 upper classmen. These courses of plane geometry, advanced algebra, solid geometry and trigonometry are offered. We think that we have a record enrollment in advanced courses, which is a good indication that our students realize the need for a comprehensive background of mathematics as a pre-requisite to advanced learning.

ADVANCED CLASSES

Qualified experienced mathematics teachers with great mathematical insight are so scarce today that steps may have to be made to induce more qualified people into the field of teaching higher mathematics so that more students can be carefully prepared for advanced learning in college mathematics.

Solid geometry presents a study of geometry as applied to the third dimension of depth or space. One of the major objectives is to help students acquire training in visualizing, drawing, and constructing figures. This is taught on a college level to prepare high school students for college mathematics and indirectly for the positions in the fields of mathematics which our country needs desperately.

PLANE GEOMETRY

Plane geometry follows the completion of one year of algebra. The subject helps the student to understand the techniques of logical reasoning and to apply these to non-geometric situations. One learns basic constructions, the assumptions, the meaning of proof, and the inductive discovery of facts and relationships. The second semester a thorough study of formal proof and the various kinds are applied to numerous geometric figures and problems. During the semester every student turns in a major project on relationships between some other field and geometry. This course fulfills the usual college entrance requirement for a second year of mathematics in high school.

GROUPING STUDENTS

On the basis of diagnostic test scores in arithmetic reasoning, concept and skill, 170 freshmen were found deficient in arithmetic skill. These pupils were placed in general math and arithmetic classes this year. The purpose of these courses is to take each student at his present level of understanding and skill and provide materials and learning experiences that will enable him to reach his individual potential in arithmetic processes. Those students are expected to progress at an accelerated rate in order to qualify for regular high school math courses. The students not expected to go

on in the area of mathematics, greater proportion of class time is set aside to help them gain understanding and skill in arithmetic knowledge concluded to be necessary for the average lay person.

Um-m, C'est bon!

French cooking aromas filled the hall of Sandburg Tuesday afternoon, Nov. 27, when Kathy Flavin prepared dinner for her classmates and guests following authentic French recipes and a typical menu.

Guest of honor was Miss Jo Bahen, French teacher. Hors d'oeuvres were assorted stuffed celery, Oysters Rockefeller, escargots en sauce and iced borscht. The dual entrees were poulet en casserole and filets

de sole Cecilia served with pommes de terres saute, artichauts vineigrette and cauliflower polonaise. Rhubarb mousse with grape sauce was served as dessert.

Each girl, in this special section, prepares a dinner featuring foreign foods. The girls have chosen Tuesday nights for these special affairs.

Since feed costs increase during the barn feeding season, now is the time to remove low producing and diseased cows from your herd. Removing such unprofitable cows will lower your feed and breeding costs and leave you more profit from your dairy enterprise.

Why Not Buy Your Fertilizers Until Feburary?

Contour Farming Pays Dividends

Harvest time is a busy time and a happy time for folks on the farm. Pictured above is Ray Knieriem, 179th and Southway highway, Mokena, who along with thousands of other farmers thruout the midwest, was kept busy this fall in picking a bountiful crop of corn. Ray is shown picking in a portion of a field that was planted on contour. Contouring means planting the rows of corn around the slopes in level lines, which helps slow down the run-off of water and thus prevent the carrying off of precious soil to creeks and rivers. While there are some disadvantages to contouring many farmers feel that the benefits are worth the extra effort. Anything that protects the soil is worthwhile, it was pointed out by Charles Ferguson, of the Soil Conservation Service, who, incidentally, took this picture.

GREEN GARDEN

Mrs. Katharine Heisner
Frankfort 4902

The WSCS will meet next Wednesday afternoon, Dec. 12 at 12:30 pm, and beginning with a potluck dinner. Mrs. Emil Andres, Mrs. Arnold Landeck, Mrs. Christian Krapf and Mrs. David Dralle are in charge of the program. Each is to bring 50c which will be sent to the Peek Home, instead of a gift exchange. The Jolly Nine club met Wednesday in the home of Mrs. Emery Bettenhausen, beginning with a potluck dinner at noon. This will be followed by a regular Christmas party with a gift exchange.

Mr. and Mrs. William C. Bettenhausen entertained their club at a pinochle party Saturday evening. Present were Mr. and Mrs. Ralph Dralle, Frankfort; Mr. and Mrs. Ernest Stevenson, Homewood, and Mr. and Mrs. Harvey Lewis, Channahon.

Mrs. Elizabeth Harnack and Elmer were supper guests of Mr. and Mrs. Walter Toben Sunday evening.

Mr. and Mrs. Leslie Koenig, Mr. and Mrs. Henry Kuse and Mr. and Mrs. Norbert Brockmann and their families were guests of Mr. and Mrs. Robert Klier at Monee Saturday evening. Pinochle was played with prizes awarded to Mrs. Robert Simpson and Leslie Koenig. Later refreshments were served.

The Busy Homemakers Home Bureau held their Christmas party and dinner at Arch Inn Tuesday noon.

The Christmas program of the Green Garden PTA will be given twice this year; on Wednesday afternoon Dec. 19 and Thursday evening Dec. 20 in the Green Garden public school. This was the decision of the PTA when they met recently, in the town hall. At that time Mrs. Harry Voight gave a report of the Eastern Will county area meeting and Alvin Erickson was appointed Service League representative. Mr. and Mrs. William Bettenhausen were new members. Mrs. Hazel Dravies' room received the award. A film on dog training was shown followed by refreshments.

Tax Facts

(This is another in a factual series "The Story of Your Property Tax Bill.")

One of the most important duties of boards of review and the board of appeals of Cook county is to receive and act upon property assessment complaints of taxpayers. Such complaints must be filed in writing with the board of review on or before Aug. 1 in all counties with less than 150,000 inhabitants, and on or before Sept. 1 in counties with 150,000 or more but less than 500,000 inhabitants.

If assessment books are not delivered to the boards by July 20 in counties of less than 150,000, or by Aug. 20 in counties of 150,000 or more but less than 500,000 population, then such complaints must be filed on or before 10 days after the assessment books are received. In Cook county the complaints are filed within 10 days after the board of appeals publishes notice, by townships or taxing districts, that such assessments have been completed by the county assessor and that the board will now consider revisions and corrections.

Among the specific complaints which the taxpayer may list for review of his assessment by the board are: The property was assessed twice; the assessment is higher or lower than assessments of comparable property the property was exempt on April 1 of the year of the assessment; the assessor had no authority to assess the property; the percentage used to determine assessed value was higher or lower than that used in determining assessed value on other properties.

Altho the statutes require that a taxpayer's complaint be filed only in duplicate, it is advisable to have it made in triplicate. Then one of the copies can be retained by the complainant while the original and one copy are filed with the board. The board retains the original and provides the officer or officers certifying the assessment with the remaining copy.

All complaints must be docketed numerically, each in its own class. Those relating to real

estate shall be considered by townships or taxing districts and those relating to personal property by classes.

Everyone wishing a hearing on his complaint must be permitted to appear before the Board and state his case. If the Board declines to hear a complaint, mandamus may be used to force compliance with the statute.

LINCOLNWOOD

Dolores Anderson
phone 3651 New Lenox

Mr. and Mrs. Edward Hollenbeck and daughter Jane spent Wednesday in Chicago with her mother, Mrs. Charles Kraehmer.

Mr. and Mrs. Clare Newman and sons spent Sunday in Chicago with her parents, Mr. and Mrs. Benjamin Schuldes, where they celebrated the birthday of Mr. Schuldes.

David Hutcheson has resumed his studies at school following a seige of the chicken pox; and his sisters, Marcia and Kathy are now confined.

Mr. and Mrs. Ralph Oldt and family were dinner guests Sunday of her parents, Mr. and Mrs. Flaherty in Chicago.

George Thode is recuperating in his home following a few days confinement in Silver Cross hospital where he underwent major surgery recently.

Barbara Taylor is confined to her home with chicken pox.

Mr. and Mrs. Harold Wollenhaupt and children spent the past week end in Chicago with Mr. and Mrs. Mark Glixon.

Mr. and Mrs. Walter Thode, son George visited in Melrose Park Sunday with their niece. Mr. and Mrs. Wallace Winslow and sons.

Den 1, Cub Scout Pack 41, are working on their Christmas gifts, when they meet Saturday afternoons this month, at the home of their Den mother, Mrs. Clare Newman. Refreshments were served at the close of their meeting Saturday.

Cub Scout Pack 41 met Tuesday night in the Schmuhl school. Plans were discussed to have a Christmas party, after which Robert Bahr of Joliet showed moving pictures. Gold and Silver arrows were presented to Kenneth Madsen, Eddie Meyers and Michael Newman. Mrs. Leon and Konkel served refreshments.

Air Force to Give Christmas Leave if One Enlists Now

Sgt. Bill Taylor, the south suburban Air Force recruiter, located in the post office building at Harvey, announced this week that qualified men may enlist in the Air Force during December and be granted a leave of absence so as to be home for Christmas, reporting to Chicago Jan. 2 or 3 for shipment to Lackland AFB, San Antonio, Texas. Those who take advantage of enlisting in the Air Force with leave will receive full pay during their leave.

HOMER

Lockport, R. 1
Telephone Lockport 1387M

The Homer Woman's club will hold their Christmas party in the home of Mrs. Fred Kopleman Wednesday, Dec. 12 with Mrs. Angelo DePra and Mrs. Tess Markiewicz assisting hostesses. An appropriate program will be arranged by Mesdames Carolyn and Owen Ott. Potluck dinner will be served at noon and a 50c gift exchange will be enjoyed.

Silver Wedding Celebration

Mr. and Mrs. Barney Welter celebrated their 25th wedding anniversary with a party in their home for relatives and intimate friends, on Sunday evening, November 25. Games and refreshments were enjoyed and the couple received some lovely gifts.

Don Cagwin, Nick and Robert Welter and Miss Ruth Welter exhibited cattle at the International Live Stock show in Chicago last week. Don received second on his Hereford steer and the others placed well in various large classes. The young people are to be congratulated on their showmanship.

Mr. and Mrs. Leo Lewandowski have moved to the John Loughlin home on Rte. 7 which they recently exchanged with Mrs. Loughlin for their former

home on John St. in Joliet.

Mrs. Robert Shepherd, Jr. returned home Thursday after successfully undergoing major surgery in Silver Cross hospital the previous week.

Frances D. Holm of Lockport has obtained a permit for a five room frame home to be erected on Smith road, 1.4 mile north of 143rd st. in Homer at a cost of \$8000.

Several people from Homer attended the school conference at LTHS Thursday evening. They heard of the needs for High School expansion in the near future to accommodate the rapidly growing population in this area.

At the meeting of the Homer Community Consolidated school board at Hadley school last Monday evening, tentative plans were discussed with Architect Healy for a six room school so constructed that it may later be expanded into eight rooms. At the next meeting they plan to have Supt. Crackel present to report on the recent school census which will help them determine the amount of space needed for next year.

James Frazer is Homer chairman for the Silver Cross hospital fund drive which is currently in progress.

The Modern Woodman camp of Homer met last Wednesday evening in the home of John Wagner. The next meeting will be at Barney Welter's home.

Mrs. Edward Daley and Mrs. Robert Shepherd Sr. were assisting hostesses in the apartment of Mrs. Lester Acord at the Old Penitentiary Nov. 28, when the Homer Lockport Home Bureau met. The major lesson on Repairing Electrical Appliances was presented by Mrs. Nick Kowaliak of Cream road, Homer and a blind auction was a special feature which netted a nice sum. Thirty members attended.

Mrs. Arthur Shepherd who expects her husband to return from Germany and be released from army service before Christmas, has rented a farm west of Lockport and moved her household goods there all ready to set up housekeeping as soon as he returns.

Sp. 2 Charles Adelman returned to his parents' home Thursday having spent 17 months with the armed forces in Germany. He will be released from the army in a few days after which he and Mrs. Adelman, who is the former Margaret Welter, will live in an apartment in Joliet.

Homer Church Election

At the annual meeting of Homer church, held Sunday afternoon at one o'clock, reports were heard from all church officers and from a representative of each affiliated group. The affiliated groups showed an especially good financial condition.

Mrs. George Burcham was re-elected church clerk; Mrs. J. J. Paddock, treasurer; Mrs. Reed Purch, deaconess; Jerome J. Paddock, deacon; Henry Rodgers trustee; John Hollister, Sunday school superintendent; Susanne and Edna Mae Burcham, co-secretary and treasurer of the Sunday school; Mrs. John Hollister, church music chairman; Mrs. Ira Anderson, finance chairman with Mrs. Bruce Anderson, assisting. Betty Anderson, church organist; Iris Filipowicz, Faye Rodgers and Faye Anderson are to be co-pianists of Sunday school, serving on alternate Sundays. John Hollister was appointed head usher to organize the boys into an usher group.

Sunday school will start promptly at 9:30 am. beginning next Sunday. There will also be practise for the Christmas program next Sunday.

Jerome Paddock is in poor health, and under the doctor's care.

All men who are interested in having a men's club are asked to meet at the Homer church this evening, Dec. 6. Several have already expressed an interest in such an organization. Men are also needed in the choir, which rehearses Thursday evening.

George Konow is enjoying a motor trip through the southwestern states. He expects to be away about two weeks.

The service station is one of the greatest points of sale in America today—more than 12 billion dollars' worth of high-quality products flow through these "islands" every year.

Mrs. Katharine Helsner
Frankfort 4902

The Rev. and Mrs. Samuel Weisshaar of Kingston, Ill. have purchased the house at 244 Nebraska st., from Mr. and Mrs. Wesley Hollstein. They will move here after the Methodist conference next June. At present the Rev. Mr. Weisshaar is preaching in Kingston but intends to retire then.

Mr. and Mrs. Harry Miller have purchased the new home at Nebraska and Center road from Albert Krusemark and moved into it, last weekend.

A group of 64 ladies chartered a bus Friday afternoon and visited "Christmas in Other Lands" at the Museum of Science and Industry at Chicago, where they dined and attended the play given by the Dutch people.

The Rev. and Mrs. Erich Bizer attended a ministerial meeting last Friday noon in the St. Paul Evangelical and Reformed church at Monee.

The Rev. Erich Bizer officiated last Sunday afternoon at the baptism of eight children in St. Peters Evangelical church. Baptized were Becky, Marie and Patricia Ann, children of Mr. and Mrs. Charles P. Brucer; Gary Lynn Schweisow, son of Mr. and Mrs. Henry Schweisow; Donald Lee and Norman Dale, children of Mr. and Mrs. Norman Erickson; Patricia Roy al, daughter of Mr. and Mrs. Royal Lane. Her sponsors were Mr. and Mrs. Wayne DePorto; Sue Ann, daughter of Mr. and Mrs. James Nowell, with sponsors, Mr. and Mrs. Thomas Burgess, and Jacquelynne Lou, daughter of Mr. and Mrs. Arthur Hurley. Her sponsors were Mrs. Wallace Yunker and John Hurley.

Alan Hedges, of Milwaukee, Wis., spent the weekend with his parents, Dr. and Mrs. W. V. Hedges.

Mr. and Mrs. Jacob Hostert were the weekend guests of Mr. and Mrs. Herbert Bixler at Three Rivers, Mich.

Honey Bees 4-H

The Frankfort Honey Bee 4-H will meet in the public school this evening, Dec. 6. Cathie Sinit will talk on grooming; Mary Ann Otto, on party manners; Norman Jean Smith, on table manners; Marcia Schweizer, on Fashion notes; Ruth Ellen Nice on first aid; Mrs. Robert Schweizer will tell about covers for dining tables and Vivian Eisenbrandt will give a summary of the last meeting.

Achievement awards and prize money will be distributed.

All girls who will be 10 to 20 years old by July 1, 1957 are cordially invited to join the club.

Hostesses this evening will be Norma Jean Smith and Marcia Schweizer.

Fourteen new members were received into the membership of St. Peters Evangelical and Re-

formed church during the Sunday morning service. They were Mr. and Mrs. Richard Bogda, Mitchell Van Der Aa, Walter and Louis Yoss, Miss Elizabeth Yoss, Mrs. John Stuckey, Mrs. Glenn Christiansen, Mr. and Mrs. Chester Gorney, Jr., Mr. and Mrs. Melvin Eastman and Mr. and Mrs. Jerry Kolar.

Mr. and Mrs. Stanley Warning entertained about 50 relatives and friends in their home Saturday evening. After a social evening lunch was served by the hostesses.

Mr. and Mrs. Edward Dorband of Blue Island were Sunday evening supper guests of Mr. and Mrs. Elmer Batson.

Mr. and Mrs. Alvin Harnack were supper guests of Mr. and Mrs. Walter Toben at Monee,

Sunday.

Mr. and Mrs. Robert Simpson and family attended the pinochle party Saturday evening at the home of Mr. and Mrs. Robert Klier at Monee.

Mr. and Mrs. Howard Bell and Mr. and Mrs. Robert Simpson attended the horse show in the Amphitheatre Friday Evening in Chicago.

Knights Top Reavis 48 to 34 In First League Cage Tilt

BY FRED KIESLER

After losing their first three games—all to nonconference foes—Lincoln-Way cager opened their league season last Friday night with a 48-34 victory over Reavis. The game was played at Lincoln-Way.

The game had a slow beginning with neither team able to hit except from the free-throw line. The first quarter ended with the Knights on top of a 10 to 8 count but the team was able to score but one basket, the other points coming from charity tosses.

The second quarter saw the Knights sink five baskets and count one free throw while the best Reavis could do was to make one basket and two free throws so as the half ended it was Lincoln-Way 21 and Reavis 12.

In the second half, the L-W team made nine field goals and nine free throws for 27 points while Reavis made six baskets, four of them by Ken Quain, and 10 free tosses for 22 points.

Morris Wade was high scorer for Lincoln-Way with 14 points. Quain counted 13 points to lead in individual scoring for Reavis.

Earlier in the week the Knights lost to Crete-Monee, at Crete 48 to 40. In that tilt both teams were even as to field goals at half time but Crete was leading by nine points because of its skill from the free throw line while the Knights were a bit weak in that department.

The same difference was seen in the second half. Lincoln-Way outscored Crete in baskets but Crete came up with enough charity counters to hold a winning margin. Wade was top scorer in that game with 22 points with Dailey of Crete-Monee next with 21.

This is For Pet Owners

Dogs seldom have cavities in their teeth, but they can have other tooth problems. Tartar often forms on a dog's teeth, causing softening and inflammation of the gums. Veterinarians advise feeding bones or roughage to help loosen the tartar and to prevent its formation.

Cats often develop "hair balls" in their stomach as a result of licking and swallowing their fur. The rough tongue of a cat serves as a curry comb. Cats, especially those with long hair, may swallow so much hair that a veterinarian will have to remove the hair balls.

Abrupt changes in feed or feeding methods is an invitation to trouble and possibly disease in pet rabbits. The American Veterinary Medical Association advises people who keep rabbits as pets for children to select a good, nutritious ration for the bunnies. Any necessary changes should be made gradually.

Farm and hunting dogs sometimes may become infected with tapeworms by eating raw rabbit meat.

Most ear diseases in dogs start as simple irritations and are particularly common in dogs with floppy ears. Early veterinary attention for dogs that shake their head violently and scratch at their ears is essential if serious trouble is to be avoided.

Proper care of the hunting dog's feet is essential if the dog is to be successful in the field. Hunters should inspect their dogs' feet frequently, keeping watch for tender or injured spots and removing grass or caked mud or other objects found between the pads.

The territory of Hawaii reports that no case of rabies has ever been observed on the island. The absence of this disease may be accounted for by the isolated position and also the rigid enforcement and observation of quarantine regulations regarding the importation of animals.

The above program would not have been possible without the fine support of the Christmas decoration committee - Chief H. Moore, Wm. Rick, H. Bettenhausen, R. Bridge, and C. Welsh, and the wonderful co-operation of the following men who spent many hours in decorating Candle Lane - H. Moore, Wm. Rick, H. Bettenhausen, P. Seeley, Wil. Mager Selby Hirsch, C. Powers, Orlie Buck, Wm. Cantor, Wm. Freiburger, and Ted Borst and to the girls of the Tinley Park School who tied the pretty red bows.

MERRY CHRISTMAS TO ALL

PTA News

Student Square Dance

All students of Tinley Park in the seventh and eighth grades are invited to a square dance Friday evening, Dec. 7 in the Tinley Park public school auditorium from 7:30 p.m. to 9:30 p.m. Admission will be by donation of canned goods which will be distributed among needy families of Tinley Park. This square dance is sponsored by Tinley Park Parent Teacher Association, member of Southwestern Area Council, District 19.

Bremen High PTA

The Bremen Community high school PTA will hold its regular monthly business meeting

and program Wednesday, Dec. 6, cafeteria. Students from the 12 at 8 p.m. in the high school high school dramatic department will present a skit, and special musical numbers will be furnished by a vocal octette and instrumental quartette of the music department.

A spaghetti dinner, scheduled for Saturday, Jan. 12, 1957 from 4:30 to 7:30 p.m. in the high school cafeteria, will be the money making project for the PTA this year. Mrs. Walter Kessel chairman, of Ways and Means committee, is in charge of dinner arrangements. Tickets will be available at the Dec. 12 meeting, or from the local regional vice president. The members desire all to mark this date—Jan. 12 on their calendars and plan to be one of those in attendance.

SCOUT NEWS

Cub Scout Pack 272

The Tinley Park Cub Scout Pack 272 meeting was held November 27 in the Tinley Park school. After singing some Scout songs, Cubmaster Charles Moore introduced a new Cub Scout, Kenneth Dunn. Presentation of awards was highlighted by the fact that the entire membership of Den 9 received their Wolf badges, and one of the boys his Bear badge, also.

Awards were: Wolf: Robert Behling, Richard Brown, Robert Enzenbacher, Brian DeGraf, Robert Kent, John Riley, Gregory Warner and Thomas Warner.

Donald Morris, John Riley.

Gold Arrows: Robert Behling, Richard Brown, Richard Carlson, Brian DeGraf, Robert Enzenbacher, Robert Kent, Donald Morris, John Riley, John Shaulis, Gregory Warner, Thomas Warner.

Silver Arrows: Robert Behling, Brian DeGraf, Robert Kent, John Riley, John Shaulis, Joseph Velkauer.

The skit put on by the boys of Den 7 demonstrated their abilities in making scenery and costumes for their Puerto Rico theme.

In November, Cubmaster Charles Moore and Pack committee members John Naughton and Theodore Lauterback were graduated from a Cub leaders course at the University of Scouting.

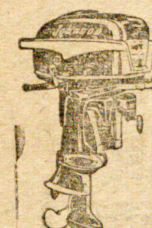

The pack meeting for December will be a Christmas party at the Tinley Park school Tuesday, Dec. 18.—C. R. Lillie, Sec.

Get Good Start on Bremen High Addition

The open fall enabled contractors to get a good start on the new addition to Bremen Community high school. The addition will cost some \$900,000, the bonds for which were voted last year. School officials are planning that the building, which will practically double the size of the existing plant, will be ready by fall. The growth of enrollment has been rapid and is continuing but the board acted in time to avert operating classes on a shift basis. (Photo by Kozel)

Christian Science services Sunday, December 9.

Keynoting the Lesson-Sermon entitled "God the Preserver of Man" is the Golden Text from Ephesians (2:8): "By grace are ye saved through faith; and that not of yourselves: it is the gift of God."

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (215:12): "Whatever is governed by God, is never for an instant deprived of the light and might of intelligence and life."

Scriptural passages will include the following from Psalms (16:5, 6, 8): "The Lord is the portion of mine inheritance and of my cup: thou maintainest my lot. The lines are fallen unto me in pleasant places; yea, I have a goodly heritage. I have set the Lord always before me: because he is at my right hand, I shall not be moved."

Letters to the Editor

To the Editor:
Wednesday, Nov. 14, probably every Mokena mother was looking out the window of bus No. 6, driven by Rolland Cagwin, excitedly watching the route taken regularly by her children attending Lincoln-Way high school.

Hospitably, A. Hunter Chapman, the principal, and the delicious aroma of food greeting the parents decided the first stop to be purchasing lunch tickets. Then off we went to the cafeteria for Mrs. Skeldon's Creole hamburger, fluffy mashed potatoes, pineapple coleslaw, homemade apple pie and a choice of white or chocolate milk plus watching a favorite TV program.

A senior and two freshman members of the Future Teachers of America escorted each group on a tour thru Lincoln-Way high school. Even though the students were taking tests, the parents enjoyed being spec-

tators, looking through the glass windows of the classrooms which reminded many of them of their school days years ago.

Mr. Neil Hardy, physics and chemistry teacher jokingly asked, "Any of you ladies want to take a test?"—a request which not only surprised but delighted them.

When Mr. Van Rheeden, agriculture teacher, explained some of the electrical projects of his class, one of the mothers have a kit for my husband? He's always blowing out fuses." The semi-circular wash basins in the ag shop were a novelty to most mothers but one proudly acknowledged a two-bottom plow by remarking, "I wouldn't be a farmer's wife if I didn't recognize that implement."

Everyone was fascinated by the plants and live animals in

the science rooms, the home-making department, gym, the practical arts, and a notice in one room, "You are now entering an adult subject so act like one."

Parents all agreed, "Our taxes aren't so high after all when you see all the tools, materials, subjects, and conveniences the modern school has to offer."

After a round table discussion where questions were thoroughly answered by Mr. Chapman and Earl Dieken, curriculum director, the mothers remarked, "The parents who stayed home missed a fascinating, educating afternoon. Now what could be a nicer way to end a school day but by riding the bus back home while discussing the good modern school program of today."

Soil Service Helps Orland Farmer Solve Erosion Problem

By following suggestions of Charles Fletcher, Soil Conservation Service technician, Fred Rauch has added a couple of acres of tillable land to his farm at 167th and U. S. 45 in Orland township—and at little expense.

Not only has Rauch added to his tillable holdings but he has also checked erosion which would have claimed an even larger portion.

At a point where surface water draining from a 215 acre watershed left a grass watercourse and fell three feet into an open ditch, a gully was being carved thru the abrasive action of the running water.

With engineering assistance from the Soil Conservation Service, given to cooperators of the South Cook Soil Conservation District, the Rauch's decided to rid themselves of a continuous maintenance problem that has been costly in terms of soil money, labor, time and worry for a good many years.

At the suggestion of Mr. Fletcher, the tile lines were extended (as shown in the top picture) 225 feet along the bottom of the open ditch which runs thru a permanent pasture to a point where a gully control concrete structure was built. This structure could have been built at the original gully head site, but by moving the structure downstream two acres of

tillable land from the pasture could be added to the total crop land of the farm, just for the price of the tile.

This particular structure was recommended only after many factors were carefully considered—size of watershed, expected runoff, type of soil, topography and grade in the open ditch, to name a few. It contains 12 cu. yds. of concrete and 740 pounds of reinforcing steel. The "notch" thru which the surface water will flow is two feet deep and 20 feet wide, and the water will drop over a headwall a distance of three feet to a concrete floor or apron that is six and a half feet wide. The tile, which are used only to drain excess sub-surface water out of the ground, are outletted thru the headwall.

The middle photo shows how the ditch appeared after back-filling and before it was shaped into a designed watercourse with a saucerlike cross section approximately 30 feet wide and one foot deep, as can be seen in the bottom picture. The wing-walls of the structure are completely covered with earth and all the surface run off is funnelled thru the notch of the control structure.

The purpose of the structure is to allow runoff water to fall from one elevation to another in

a very short distance without doing any damage.

The proper design of such a structure is important, Mr. Fletcher pointed out, as many farmers will agree, because too many so-called "dams" have been handed down from father to son only to be rebuilt because it "washed out" during a heavy rain. The purpose of the soil conservation district is to help the farmer take the guesswork out of these and related erosion problems and solve them in a permanent, practical way. The pictures shown here were taken by Mr. Fletcher.

L-W Phi Chem Group Attends Annual Meeting

Tinley Personals

The next regular meeting of the Tinley Park Garden club will be held at the home of Mrs. Trudie Swisher, Thursday, Dec. 20 at 1:30 pm. The members will conduct their annual Christmas gift exchange.

A Tinley Park reunion was held at the home of Mr. and Mrs. Henry Mencke in Phoenix, Ariz. Nov. 22 when Mr. and Mrs. Arthur Dini and daughter Carol and Grandma Dini, Mr. and Mrs. Fred Stuckey and Mrs. Fred Willman Sr., met for a visit and to catch up on all the Tinley news. Following their dinner, several of the group enjoyed a ride into the Camelback mountains.

Mr. and Mrs. Elmer Bartling and daughter Mrs. Gerald Gray motored to Newport, Rhode Island, where Mrs. Gray met her husband who is stationed there with the United States navy. The Grays have a three-room

apartment and with a 14-day leave at Christmas, plan to fly here for the holidays. After the first of the year, Gerald will be at sea on a six-week cruise of the Caribbean sea. Mrs. Gray will return here to her employment with the Telephone Company. Mr. and Mrs. Bartling stopped at Boston, Mass., enroute home to do sight-seeing.

The Edgewater Beach hotel in Chicago was the site of the annual convention of the Central Association of Science and Math Teachers. James Cooner, former president of the Phi-Chem Association, Allan Mager, current president, Edward Fehrenbacher, photographer, and H. Neil Hardy, sponsor, attended the meeting on Friday, Nov. 24, to display the club's project, along with other projects from various parts of the state which won outstanding awards at the state meeting of the Junior Academy of Science last March.

The morning's program included a general assembly and the displaying of the projects. Following this a banquet was held in the Polynesian Village, with door prizes awarded, senior members honored, and an excellent address by Dr. Fuller of the University of Illinois.

With the adjournment of the banquet the teachers divided into smaller groups and met in various rooms of the hotel to discuss the current ideas con-

CARD OF THANKS

We want to extend our sincere thanks and appreciation to all our friends and relatives for their lovely gifts and cards which they sent to us on our wedding anniversary. MR. and MRS. EARL SAYERS, Orland Park.

Highlights Of Farm Life

By W. F. Whiteside
Cook Co. Asst. Farm Advisor

The Tinley Hustlers 4H club held their achievement program last week. Leaders, Mr. and Mrs. Earl Siemsen, and the club officers arranged a nice program. Parents and friends of the members attended. The club received the 4H club of the year award for an outstanding club program.

The corn referendum will be held Dec. 11. Farmers who produced corn during 1956 should be sure to vote.

Producers will receive from the County ASC office a notice of their allotment and soil bank base, a flyer explaining the referendum, and a notice of their local polling place.

A county meeting to explain the referendum will be held Dec. 5, 1:30 pm. at the Tinley Park Farm Bureau.

Ronald Kollman, Harvey, member of the Rich Bremen 4H club received a \$300 college scholarship as winner of the National 4H dairy program. Ronnie is one of six national winners honored at special breakfast held last week during 4H club congress in Chicago.

Ronald has established an excellent record during his club career. He is to be congratulated on achieving these honors and also for the humble and sportsmanlike conduct after receiving State and National recognition.

Farm operators must pay social security tax on hired labor if they pay any laborer \$100 or more cash wages during 1956. The law has been amended for 1957 to make social security tax due on a hired farm laborer if the farm operator pays him \$150 or more, or if he works 20 or more days for cash pay figured on a time basis. So farmers should keep careful records of payments made for farm labor. There is a new special section for keeping such a labor record on pages 14 and 15 of the Illinois Farm Record Book.

Do you know how much lime, nitrogen, phosphorus and potash you have applied to each separate field on your farm in the past five years. If not, why not set up a simple bookkeeping scheme for recording how much plant food you applied on each

MARLEY

Mrs. Virginia Sass
New Lenox 3133

The Marley Womans club will meet in the church Thursday, Dec. 13 for their Christmas dinner party. Dinner will be served at 12:30 o'clock by Mrs. Fred Brown and Mrs. Clayton Cleveland. Secret pals are to be revealed with gifts. A special program will be presented. Members may bring guests if reservations are made with Mrs. Charles Elliott by Dec. 6.

The Hadley Mothers' club will hold their Christmas party on Wednesday night, Dec. 12 at the home of Mrs. Ray Carlson.

Mrs. Eugene Anderson and Mrs. Loren Sass attended the first meeting of the Lockport Citizens Advisory committee of the Lockport Township High School board at the school Thursday night. They are on this committee as representatives of the Hadley Mothers' club. The committee was organized for the purpose of studying problems facing the high school and the enrollment rapidly increasing with an expected high of 150 students in the fall term, make it obligatory that some means be made to handle this additional group, which will

bring about 1,200 students next year.

The Rev. and Mrs. Roy Hamer and family will hold an open house at the parsonage Sunday afternoon, Dec. 9 from 2 to 4 p.m. Everyone is cordially invited.

Mr. and Mrs. Charles Elliott attended the annual Firemen's dinner at the Johnson and Johnson plant in Chicago Sunday afternoon.

Mrs. Charles Lauffer, Mrs. Arthur Lauffer and Mrs. Russell Lauffer were guests at a baby shower in honor of Mrs. Harold Larimore and daughter Arlene Carol at the home of Mrs. George Boyce in Mokena Sunday afternoon.

Mr. and Mrs. Harold Spiecker and daughter of New Jersey arrived last Wednesday evening to spend a few days with relatives here.

A Christmas Eve practice will be held at the Marley church this Saturday afternoon, Dec. 8 at 1:30 o'clock. All children of the Sunday school are to be present.

Mr. and Mrs. Stanley Coe were entertained at dinner Sunday in the home of Mrs. Mildred McClintock in Joliet.

Mrs. Adella Sproat and Mrs. Robert Sproat spent Tuesday in Oak Park.

Luncheon guests of Mrs. Charles Elliott Monday were Mrs. Grace Holmes and Mrs. Florence Johnson of Chicago.

Everett Bell underwent major surgery in the Silver Cross hospital Wednesday. He is convalescing nicely.

Glenn C. Peterson will undergo surgery in Michael Reese hospital in Chicago Friday of this week for the removal of a cataract on his eye.

James D. Frazer has been working in this area for the Silver Cross hospital drive for their new addition.

Mr. and Mrs. Victor Zaloudek were called to Berwyn Friday night by the sudden death of his father Emanuel Zaloudek, 87. Mr. Zaloudek is survived by his wife, Marie, a daughter, Mrs. Sylvia Bovington of Berwyn, a son, Victor, three grandchildren and four great-grandchildren. Funeral services were held at the Svec funeral home in Berwyn Tuesday afternoon.

William Schifler, 88, passed away Friday in the home of his son Glenn, near Marley, after a lingering illness. He is survived by seven daughters and two sons, several grandchildren and great-grandchildren. Removal was to Palestine, Ill., where funeral services were held in the Presbyterian church at 2 o'clock Sunday afternoon. Mr. Schifler was a native of Palestine but had recently made his home here with his son.

Hold Funeral for Mrs. Charles Ulrich Of Homer Township

Mrs. Charles Ulrich, 56, a life long resident of Homer township died early Monday, Dec. 3, at St. Francis hospital, Blue Island. She had been ill for some time.

The former Edith Tilley, she was a daughter of the late Mr. and Mrs. William Tilley.

Mrs. Ulrich was a member of the Good Luck camp of the Royal Neighbors.

She is survived by her husband, Charles. One brother, Col. John Tilley preceded her in death; also another brother and one sister.

Funeral services were held Wednesday morning at the Goodale Funeral home in Lockport. Burial was in Brooks cemetery.

Car Crashes Bridge Rail, Falls 35 Feet Driver Gets Scrath

Warren Tomaska, 20, 192nd and Wolf road, Mokena is a lucky man.

While crossing the bridge over the New York Central tracks on Hillcrest road in Joliet Sunday night, Tomaska's car crashed thru a guard rail and dropped 35 feet to the railroad right-of-way. The accident occurred about 8 o'clock.

Sheriff's Deputies Charles Hahn and Glen Bitterman who were called to the scene loaded Tomaska into an ambulance and sent him to Silver Cross hospital. A check there revealed the extent of his injuries a cut in the left eyebrow and a cut on one finger.

National Safety Council Asks If You Are Hurricane Driver

Are you a hurricane driver? You are if you drive 75 miles an hour or more, the National Safety Council declares.

For at that pace, warned the council, you can destroy yourself and anything in your path as quickly as a hurricane.

"The U. S. weather bureau considers winds of 75 miles and over of hurricane proportion," said Ned H. Dearborn, president of the Council, "and motorists should remember that a car driven at the same speed is propelled with the same destructive force."

Because of the emergency traffic situation, with its rising toll, Mr. Dearborn said a year-round "Back the Attack on Traffic Accidents" campaign, being launched this December, will continue thru 1957. The purpose of the campaign is to encourage public officials to step up the attack and to stimulate citizens to back the attack on traffic accidents.

During December campaign emphasis will be on speed, drinking drivers and pedestrians, night driving and pedestrian hazards.

Speed was a large factor last year in the 609 Christmas traffic deaths, the Council said. Driving too fast for conditions or in excess of the speed limit was a factor in 85 per cent of the fatal accidents, compared

with an annual average of 35 per cent.

At high speeds the human body becomes increasingly vulnerable, the Council said. If an accident occurs at 60 miles an hour or more the victim is eight times more likely to die than if he had been injured in an accident at 20 miles an hour.

"Speed not only increases your chances of having an accident—it decreases your chances of coming out alive if you do have one," said Mr. Dearborn.

To determine a safe speed, the council said, drivers must take into consideration:

1. Weather and visibility. Fog, rain, snow, bright sunlight or darkness are caution signs that should be heeded.

2. Mechanical factors. Engine power, ability to hold the road, and efficiency of all mechanical parts have a definite bearing on selection of a safe speed.

3. Physical factors. Whether a road is rough, smooth, hilly, flat, curving or straight are considerations that should influence speed.

4. Personal factors. The driver's physical and mental condition and the speed at which he can safely control his car are important factors.

Traffic conditions. Drivers should adapt their speed to the traffic they meet. A safe speed on a country road can be unsafe on a city street.

MOKENA CITIZENS—

(Continued from page 1)
ly five cents a day to retire the issue.

The remainder of the amount required to finance the project, approximately \$227,000—if the federal grant is allowed—would be raised thru the sale of revenue bonds. Such bonds would be retired thru receipts for water and sewer service.

Members of the village board are unanimously in favor of the improvement and recommend approval of the bond issue Saturday.

According to observers the public as a whole is believed to be in favor of the project. There does not appear to be any organized opposition. Those giving active support to the issue say it is important for persons to get out and vote.

"There are plenty of people who say they are in favor of the sewer program," a spokesman pointed out, "but there is a danger that too many of these, confident that the bonds will be approved, will not vote. It is important that everyone votes."

Mayor John Searth said that if the bond issue carries a committee of representative citizens will be asked to sit in with the village board when the time comes to sell the bonds. All of the bonds will be sold at an open auction so that the village can take advantage of the best terms available.

Many Mokena residents have complained in the past of flooded basements following heavy rains when surface water backs up thru tiles and septic tanks. The sewer system, it was said, will put an end to this.

It was also pointed out that state health authorities are demanding that communities along Hickory creek take steps to halt pollution of that stream. Joliet is spending more than a million dollars to prevent pollution of Hickory creek within its boundaries and officials there are prodding state authorities to proceed against outlying areas.

The three judges for the election will be Albert Capple, Fred Steinhagen and Charles Teague. The clerks will be Alice Homering, Mrs. Joseph Klueger and Mrs. Florence Pitman.

Takes Over Eating Place at Frankfort

Carl Bredesen took over the operation of the restaurant on Kansas st., Frankfort, Monday. He will be assisted by his sister Florence and by his mother.

Mr. Bredesen also operates the lunch room in the Tinley Park bowling lanes.

Put New Life in Old Alfalfa With Fall Top-Dressing

NEW life can be put into old alfalfa fields with a top-dressing this fall of phosphate-potash fertilizer, reports the Middle West Improvement Committee.

Many of these fields have produced abundant hay crops during the spring and summer. As a result, a heavy drain has been made on the soil's reserves of phosphate and potash. So replenishment is needed in the form of plant food.

How much fertilizer to add, and what ratio to use, can be determined by a soil test that will give an idea of the soil's reserves of phosphate and potash, the committee points out.

On many Midwestern soils, agronomists recommend adding a fertilizer mixture such as 0-10-30, or 0-9-27 at the rate of 300 to 500 pounds per acre. If a test indicates the soil is low both in phosphate and potash, then a ratio such as 0-20-20 may be profitable.

If a boron deficiency occurs, some soils men advise applying about 30 pounds of borax per acre in addition to the phosphate-potash fertilizer.

One of the big benefits of top-dressing alfalfa fields in the fall is that the plant food helps the legumes store up nutrients in their roots. Strong, well-fed roots anchor themselves more solidly in the soil and come through severe winter weather in better shape.

The energy obtained yearly from crude oil and natural gas is the equivalent of the work of 33 servants for every man, woman and child in the nation.

MANY THANKS

to all friends and customers for their kind patronage during the 23 years we were in business in Mokena.
